June, July and August.

T. B. Health Clinic at Town Hall last Wednesday of each month, 2 p.m.
to 4 p.m.

FRANKLIN TOWN RECORDS

For the Year 1964

PROCEEDINGS OF SPECIAL TOWN MEETING

January 14, 1964

The Meeting was called to order by the Moderator, Paul A. Cataldo at 8:05 p. m. at the High School Auditorium, a quorum being present and voting.

The Moderator then appointed the following Tellers and they were sworn by him to the faithful performance of their duties: Lewis J. Cataldo, Richard F. Costello, Robert Rappa, James P. Dacey.

The Warrant and Return of the Warrant was read by the Town Clerk.

Article 1. To see if the Town will vote to construct, equip, and furnish a new elementary school building, together with all facilities for use in connection therewith according to "Site Plan for Proposed School, Scheme 1, for the Town of Franklin, Mass., October 30, 1963, Korslund, Lenormand & Quann, Inc., Architects," on land acquired by the Town for such purposes, situated on the easterly side of Pond Street, such construction, equipment and furnishing to be done under the direction and control of the School Building Committee (appointed pursuant to vote under Article 5—Special Town Meeting, February 11, 1963), which shall have full authority to enter into all agreements or contracts necessary or incidental to the performance of the work involved; and raise and appropriate, or transfer from available funds, or raise by bond issue, or any combination thereof, pursuant to the provisions of General Laws, Chapter 44 and Chapter 645 of the Acts of 1948, as amended, a sum of money sufficient to pay the cost or estimated cost of such construction, equipment and furnishing, the same to be expended under the direction of said School Building Committee, or to take any other action relating thereto. (By Elementary School Building Committee).

Estimated Cost of Proposed Elementary School—Scheme 1:

General Contract (building only)	\$772,000.00
Professional Services (Architect, Engineers)	64,000.00
Furnishings	50,000.00
Site Development and Sewerage	60,000.00
Contingencies (Insurance, Clerk, etc.)	40,000.00
	\$986,000.00

UNANIMOUSLY VOTED that the Town raise and appropriate the sum of nine hundred eighty-six thousand dollars (\$986,000.00) for the purpose of constructing, equipping and furnishing a new elementary school

building, together with all facilities for use in connection therewith, according to "Site Plan for Proposed School, Scheme 1, for the Town of Franklin, Mass., October 30, 1963, Korslund, Lenormand & Quann, Inc., Architects," on land acquired by the Town for such purposes situated on the easterly side of Pond Street, such construction, equipping and furnishing to be done under the direction and control of the School Building Committee (appointed pursuant to Article 5, Special Town Meeting, February 11, 1963) which shall have full authority to enter into all agreements and contracts necessary or incidental to the performance of the work involved; that to meet said appropriation the sum of thirty-six thousand dollars (\$36,000.00) be raised by taxation in the current year, and that the Treasurer, with the approval of the Selectmen, is authorized and directed to issue and sell as one issue or from time to time as two or more separate issues, serial bonds or notes of the Town aggregating one hundred fifty thousand dollars (\$150,000.00) in principal amount under authority of Section 7 of Chapter 44 of the General Laws, and that the Treasurer, with the approval of the Selectmen and subject to the approval of the Emergency Finance Board, is authorized and directed to issue and sell as one issue or from time to time as two or more separate issues, serial bonds or notes of the Town aggregating eight hundred thousand dollars (\$800,000.00) in principal amount under authority of Chapter 645 of the Acts of 1948, as amended; and that all bonds or notes shall be issued and sold in accordance with the applicable provisions of said Chapter 44 of the General Laws, as amended, but each issue of bonds or notes shall be a separate loan which shall be paid in not more than twenty (20) years from the dates thereof; said appropriation to be expended under the direction of said School Building Committee.

Article 2. To see if the Town will vote to construct, equip and furnish a new elementary school building, together with all facilities for use in connection therewith according to "Site Plan for Proposed School, Scheme 2, for the Town of Franklin, Mass., October 30, 1963, and revised November 5, 1963, Korslund, Lenormand & Quann, Inc., Architects," on land acquired by the Town for such purposes, situated on the easterly side of Pond Street, such construction, equipment and furnishing to be done under the direction and control of the School Building Committee (appointed pursuant to vote under Article 5—Special Town Meeting, February 11, 1963) which shall have full authority to enter into all agreements or contracts necessary or incidental to the performance of the work involved; and raise and appropriate, or transfer from available funds, or raise by bond issue, or any combination thereof, pursuant to the provisions of the General Laws, Chapter 44 and Chapter 645 of the Acts of 1948, as amended, a sum of money sufficient to pay the cost or estimated cost of such construction, equipment and furnishing, the same to be expended

under the direction of said school Building Committee, or to take any other action relating thereto. (By Elementary School Building Committee).

VOTED that this Article be indefinitely postponed.

Article 3. To see if the Town will vote to raise and appropriate, or transfer from available funds, or raise by bonds or notes in accordance with Chapter 44 of the General Laws, or any combination thereof, a sum of money for the purpose of extending the sewer line from the existing sewer line at Brushwood Estates to the proposed elementary school at Pond Street in conjunction with any State or Federal grants which may be available, or do anything relating thereto, said sum to be expended under the direction of the Board of Public Works. (By Board of Public Works).

Cost Estimate For Proposed Sewer To Service New School

The following costs are based on standard competitive bidding procedures and current prices:

32 1. ft. 14" Sewer	\$63,000.00
Technical Services	8,000.00
Contingency	700.00
Surveys	700.00
Borings	400.00
Legal and Administration	200.00
Estimated Total Project Cost	\$73,000.00
Estimated Federal Aid	\$36,500.00
Cost to Town	36,500.00
Plus Land Easements	3,500.00
	\$40,000.00

UNANIMOUSLY VOTED that the Town raise and appropriate the sum of Forty thousand dollars (\$40,000.00) for the purpose of extending the sewer line from the existing line at the Brushwood Estates to the proposed elementary school at Pond Street, for a distance of three thousand two hundred (3,200) feet, said sum to be expended under the direction of the Board of Public Works only in conjunction with any State or Federal Grants which may be made available, and the Board of Public Works is authorized to contract for any such grant, said amount to be

raised as follows: ten thousand dollars (\$10,000.00) to be raised by taxation and the Treasurer with the approval of the Selectmen is authorized and directed to issue thirty thousand dollars (\$30,000.00) bonds or notes of the Town under Chapter 44 of the General Laws, payable within fifteen (15) years from the date thereof, or any lesser period.

Article 4. To see what action the Town will take with respect to the assessment of the costs of the system of sewerage authorized under Article 3 at this meeting, or to take any other action relating thereto. (By Board of Public Works).

UNANIMOUSLY VOTED THAT one-third $1/3$ of the cost of the sewer project authorized under Article 3 at this meeting, shall be assessed in accordance with the General Laws, Chapter 83, Section 14, except that the full cost of particular sewers shall be assessed in accordance with the General Laws, Chapter 83, Section 24.

Article 5. To see if the Town will vote to modify the Zoning Map of the Town of Franklin, Massachusetts by changing from Residential I, III, IV and Commercial I and II to Industrial II, a parcel of land located on the northern side of East Central Street and on the Southeasterly side of Chestnut Street, bounded and described as follows:

Beginning at a point on the northerly side of East Central Street at the southeasterly corner of property of Franklin Shoppers Fair, Inc., thence northeasterly along said Franklin Shoppers Fair, Inc. property 740 feet; thence northwesterly along said Franklin Shoppers Fair, Inc. property 517.10 feet to Chestnut Street; thence northeasterly along Chestnut Street 862.22 feet; thence southeasterly 137.57 feet and northeasterly 310.63 feet; thence southeasterly and southwesterly along land now or formerly of Annie Paine 2184.82 feet to a point that is located 392 feet from the northerly side of East Central Street; thence from said point northwesterly 728.04 feet to an iron pipe; thence southwesterly 392.54 feet to an iron pipe at East Central Street; thence northwesterly 380.11 feet along said East Central Street to the point of beginning; excepting from said parcel that land now or formerly of Nazaretian. (By Planning Board).

Report and Recommendation of the Town Planning Board To the Special Town Meeting, January 14, 1964

In accordance with the provisions of Chapter 40A, Section 6, as amended, of the General Laws, a public hearing was held in the Town

Hall on Monday, December 23, 1963 at 8:00 p. m. to modify the zoning map of the Town of Franklin, Massachusetts by changing from Residential I, III and IV and Commercial I and II to Industrial II, a parcel of land located on the northerly side of East Central Street and the southeasterly side of Chestnut Street.

There were eight persons present and no objections were raised.

This particular parcel of land is intended to be the site of a proposed Industrial Park. It is adjacent to a shopping center and in the vicinity of other various commercial enterprises; thus, the construction of modern industrial buildings in the area will be in conformity with the immediate surroundings. The Planning Board believes that an Industrial Park will be an inducement to new industry locating in Franklin and which will eventually bring numerous benefits to the Town.

RECOMMENDATION: That the town vote to modify the zoning map of the Town of Franklin, Massachusetts by changing from Residential I, III and IV and Commercial I and II to Industrial II, a parcel of land located on the northerly side of East Central Street and on the southeasterly side of Chestnut Street, bounded and described as follows: Beginning at a point on the northerly side of East Central Street at the southeasterly corner of property of Franklin Shoppers Fair, Inc., thence northeasterly along said Franklin Shoppers Fair, Inc property 740 feet; thence northwesterly along said Franklin Shoppers Fair, Inc. property 517.10 feet to Chestnut Street; thence northeasterly along Chestnut Street 862.22 feet; thence southeasterly 137.57 feet and northeasterly 310.63 feet; thence southeasterly and southwesterly along land now or formerly of Annie Paine 2184.82 feet to a point that is located 392 feet from the northerly side of East Central Street; thence from said point northwesterly 728.04 feet to an iron pipe; thence southwesterly 392.54 feet to an iron pipe at East Central Street to the point of beginning; excepting from said parcel that land now or formerly of Nazaretian.

Respectfully submitted,

(Signed) ROBERT W. SIMMLER
NICHOLAS GIARDINO
JOHN R. PADULA
NORMAN C. RISTAINO
ROBERT E. FICCO
Franklin Planning Board

UNANIMOUSLY VOTED that the Town modify the zoning map of the Town of Franklin, Massachusetts by changing from Residential I, III and IV and Commercial I and II to Industrial II, a parcel of land located on the northerly side of East Central Street and on the southeasterly side of Chestnut Street, bounded and described as follows: Beginning at a point on the northerly side of East Central Street at the southeasterly corner of property of Franklin Shoppers Fair, Inc., thence northeasterly along said Franklin Shoppers Fair, Inc. property 740 feet; thence northwesterly along said Franklin Shoppers Fair, Inc. Property 517.10 feet to Chestnut Street; thence northeasterly along Chestnut Street 862.22 feet; thence southeasterly 137.57 feet and northeasterly 310.63 feet; thence southeasterly and southwesterly along land now or formerly of Annie Paine 2184.82 feet to a point that is located 392 feet from the northerly side of East Central Street; thence from said point northwesterly 728.04 feet to an iron pipe; thence southwesterly 392.54 feet to an iron pipe at East Central Street; thence northwesterly 380.11 feet along said East Central Street to the point of beginning; excepting from said parcel that land now or formerly of Nazaretian.

Motion to adjourn carried at 9:10 p.m.

A true record attest:

GEORGE W. DANA,

Town Clerk

After the declaration of the vote as aforesaid, all the ballots cast at the said election were enclosed in a box and sealed and certified thereof endorsed by the election of officers, as provided by law.

Article 2. VOTED that all the necessary town officers be appointed by the Board of Selectmen.

Article 4. VOTED that the Town authorize the Town Treasurer, with the approval of the Selectmen, to borrow money, from time to time in anticipation of the revenue of the financial year, beginning January 1, 1964, and to issue a note or notes therefor payable within one year and to renew any note or notes as may be given for a period of less than one year, in accordance with Section 17, Chapter 44 of the General Laws.

On a motion duly made and seconded, it was voted that this meeting be adjourned to Tuesday, March 24, 1964, at 7:30 p. m. in the new High School, Oak Street.

A true record, Attest

GEORGE W. DANA,

Town Clerk

BOARD OF REGISTRARS**CERTIFICATE**

We, JOHN R. GOODWIN, EDWARD W. CROTHERS and EDMUND J. KEEFE, being all of the members of the BOARD OF REGISTRARS of the TOWN OF FRANKLIN, Norfolk County, Massachusetts, hereby certify as follows:

1. That on Friday, March 20, 1964, at 3:30 p.m. at the Fire Station in said Franklin, the ballots cast at the Annual Town Meeting for 1964 were recounted for the office of BOARD OF PUBLIC WORKS, there being one (1) vacancy to be filled in said office, for the term of three (3) years.

2. That by such recount we did determine that ANTHONY F. McLAUGHLIN, who was declared elected to said office, was NOT elected, and that the true count of the ballots for said disputed office is as follows:

NORMAN C. RISTAINO	1,260 votes
--------------------	-------------

ANTHONY F. McLAUGHLIN	1,258 votes
-----------------------	-------------

WITNESS our hands and seals this twenty-first day of March, 1964.

(signed) JOHN R. GOODWIN
EDWARD W. CROTHERS
EDMUND J. KEEFE

George W. Dana, Town Clerk
Franklin, Massachusetts

Re: Anthony F. McLaughlin
VS: John R. Goodwin, et al
Norfolk Superior Court No. 80452

Mr. Dana:

The above suit, in the Nature of a petition for a writ of mandamus, was instituted on May 5, 1964 in the Norfolk Superior Court claiming that the Board of Registrars erred in counting certain ballots on a recount

for the election for the office of member of the Board of Public Works, which recount was held on March 20, 1964.

On July 13, 1964 in the Suffolk Superior Court before Judge Edmund R. Dewing, it was determined that the Board of Registrars correctly counted said contested ballots and the suit was dismissed by the Court, and thereafter no appeal was taken by the petitioner.

Therefore, the recount of the ballots by the Board of Registrars in favor of Norman C. Ristaino for the office of member of the Board of Public Works stands and is final.

Very truly yours,

(signed) NEIL J. ROCHE, Town Counsel

PROCEEDINGS OF THE ANNUAL ADJOURNED TOWN MEETING

March 24, 1964

The Meeting was called to order by the Moderator, Paul A. Cataldo at 7:30 p.m. in the Franklin High School Auditorium. Warrent and Return of Warrent was read by George W. Dana, Town Clerk.

Article 5. To see what sum of money the Town will raise and appropriate for the following purposes, to wit:

1. VOTED that the Town transfer the sum of Twenty-five Thousand Dollars (\$25,000.00) from the Overlay Reserve Fund, for a Special Reserve Fund, to be used for extraordinary or unforeseen expenses.

Article 9. To see if the Town will vote to raise and appropriate the sum of One Hundred Dollars (\$100.00) to purchase eyeglasses and spectacles for children under eighteen years of age and whose parents or guardians are financially unable to provide them, the same to be expended under the direction of the Selectmen, as provided for in amendment to Section V, Chapter 40 of the General Laws, or to anything relating thereto. (By Selectmen)

VOTED that the Town raise and appropriate the sum of One Hundred Dollars (\$100.00) to purchase spectacles and eyeglasses for children under eighteen years of age and whose parents or guardians are financially unable to provide them, the same to be expended under the direction of the Selectmen, as provided for in amendment to Section V, Chapter 40 of the General Laws.

Article 10. To see if the Town will vote to transfer the amount of Five Thousand Sixty-two Dollars and Forty-five Cents (\$5,062.45) from the Road Machinery Fund to the Road Machinery Account, or do anything relative thereto. (By Board of Public Works)

VOTED: That the Town transfer the amount of Five Thousand Sixty-two Dollars and Forty-five Cents (\$5,062.45) from the Road Machinery Fund to the Road Machinery Account.

Article 11. To see if the Town will vote to appropriate the Dog License money received for the present year for the support of the Schools or Public Library, or do anything relating thereto. (By Selectmen) (Amount: \$936.66)

VOTED that the Town appropriate the Dog License money, Nine Hundred and Thirty-six Dollars and Sixty-six Cents (\$936.66) received for the present year, for the support of the Public Library.

Article 12. To see if the Town will vote to raise and appropriate or transfer from available funds, a sum of money for the use and maintenance of the Town Dump, said sums to be expended under the direction of the Board of Selectmen; and authorize the Selectmen to execute a lease or contract with the owner of said dump property for a period of one year, subject to the approval of the Town Counsel, or take any other action relative thereto. (By Selectmen)

VOTED that the Town raise and appropriate a sum of money Sixty-five Hundred Dollars (\$6,500.00) for the use and maintenance of the Town Dump, said sums to be expended under the direction of the Board of Selectmen; and authorize the Selectmen to execute a lease or contract with the owner of said dump property for a period of one year, subject to the approval of the Town Counsel.

Article 13. To see if the Town will vote to acquire by purchase or by taking by eminent domain, for the purpose of establishing a Town Dump, a certain parcel of land, located on the Northerly side of Beaver Street consisting of approximately (37) thirty-seven acres, supposed to be owned by one Edward Fontaine; and raise and appropriate or transfer from available funds a sum of money sufficient to pay the cost of such acquisition, said sum to be expended under the direction of the Selectmen; or to take any other action relating thereto. (By Selectmen)

VOTED that this Article be indefinitely postponed.

Article 14. To see if the Town will vote to use the interest of the City Mills Cemetery Fund, for the care of the City Mills Cemetery, to be expended under the direction of the Board of Public Works, or do anything relating thereto. (By Selectmen) (Amount of Interest: \$36.89)

VOTED that the Town use the interest of the City Mills Cemetery Fund, Thirty-six Dollars and Eighty-nine Cents (\$36.89) for the care of the City Mills Cemetery. To be expended under the direction of the Board of Public Works.

Article 15. To see if the Town will vote to transfer from Sewer Available Surplus to Municipal Indebtedness the sum of One Hundred Twenty-seven Dollars and Twenty-eight Cents (\$127.28) to cover payment on Sewer Loan debt maturing in 1964, or do anything relating thereto. (By Treasurer)

VOTED that the Town transfer from Sewer Available Surplus to Municipal Indebtedness, the sum of One Hundred Twenty-seven Dollars and Twenty-eight Cents (\$127.28) to cover payment on Sewer Loan debt maturing in 1964.

Article 16. To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of One Thousand Dollars (\$1,000.00) for the proper observance and celebration of the Christmas season by the decoration and illumination of public buildings and public streets, and for the purchase, installation and decoration of Christmas trees upon municipal lands, to be expended under the direction of the Selectmen, or do anything relating thereto. (By Selectmen)

VOTED that the Town raise and appropriate the sum of Six Hundred and Fifty Dollars (\$650.00) for the proper observance and celebration of the Christmas season by the decoration and illumination of public buildings and public streets, and for the purchase, installations and decoration of Christmas trees upon municipal lands, to be expended under the direction of the Selectmen.

Article 17. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Three Thousand (\$3,000.00) Dollars for the repair and maintenance of Chapter 90 roads, said sum to be used in conjunction with any money which may be allotted by the State or County, or both, for this purpose, the same to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works)

VOTED that the Town raise and appropriate the sum of Three Thousand Dollars (\$3,000.00) for the repair and maintenance of Chapter 90 Roads, said sum to be used in conjunction with any money which may be allotted by the State or County, or both, for this purpose, the same to be expended under the direction of the Board of Public Works.

Article 18. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Eight Thousand Dollars (\$8,000.00) for Chapter 90 New Construction to complete Grove Street and the balance to be used on Oak Street and Pond Street, said money to be

used in conjunction with any funds which may be allotted by the State or County, or both, for this purpose, the same to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works)

VOTED that the Town raise and appropriate the sum of Eight Thousand Dollars (\$8,000.00) for Chapter 90 New Construction to complete Grove Street and balance to be used on Oak Street and Pond Street, said money to be used in conjunction with any funds which may be allotted by the State or County, or both, for this purpose, the same to be expended under the direction of the Board of Public Works.

Article 19. To see if the Town will vote to transfer the sum of Thirty Thousand Dollars (\$30,000.00) from the Excess and Deficiency Account, or authorize the Town Treasurer to borrow from time to time as necessary to meet the State and County Allotments for Chapter 90 Maintenance and Chapter 90 Construction, provided that all reimbursements from the State and County shall be credited back immediately upon their receipt to the Surplus Revenue Account, or do anything relating thereto. (By Board of Public Works)

VOTED that this article be indefinitely postponed.

Article 20. To see if the Town will vote to transfer from available funds under the provisions of Chapter 782, Acts of 1962, the sum of Two Thousand Seven Hundred Five Dollars and Fifty-eight Cents (\$2,705.58) for the purpose of resurfacing a portion of Daniels Street from Lincoln Street southeasterly approximately one thousand (1000) feet. (By Board of Public Works)

VOTED that the Town transfer from available funds under the provisions of Chapter 782, Acts of 1962, the sum of Two Thousand Seven Hundred Five Dollars and Fifty-eight Cents (\$2,705.58) for the purpose of resurfacing a portion of Daniels Street from Lincoln Street southeasterly approximately one thousand (1000) feet. This money to be expended under the Board of Public Works.

Article 21. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to purchase and equip a new car for the Police Department, plus trade-in-value of one of the present cars; or do anything relating thereto. (By Selectmen)

VOTED that the Town raise and appropriate the sum of Two Thousand Dollars (\$2,000.00) to purchase and equip a new 1965 car for the Po-

lice Department, plus trade in value of one of the present cars, said sum to be expended under the direction of the Board of Selectmen.

Article 22. To see if the Town will vote to appropriate the income of the Fletcher Fund for the construction of and equipment for playgrounds and recreational fields; said sum to be expended under the direction of the Playground Committee, or do anything relating thereto. (By Playground Committee) (Amount of Income: \$2,346.03)

VOTED that the Town appropriate the income of the Fletcher Fund for the construction of and equipment for playgrounds and recreational fields; said sum to be expended under the direction of the Playground Committee, amount of income being Two Thousand Three Hundred Forty-six Dollars and Three Cents (\$2,346.03)

Article 23. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to repair the roof of the Town Hall Building, said funds to be expended under the direction of the Board of Selectmen; or to take any other action relating thereto. (By Board of Selectmen)

VOTED that the Town raise and appropriate Three Thousand Dollars (\$3,000.00) to repair the roof of the Town Hall Building, said sum to be expended under the direction of the Board of Selectmen.

Article 24. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to be expended under the direction of the Board of Public Works, for the purpose of purchasing or otherwise paying for land acquired under Articles 12 and 13 of the Special Town Meeting held on August 26, 1963; to authorize the Board of Public Works to enter into any agreements or contracts with the owners of said land as are necessary in connection with the purchase thereof; or to take any other action in relation thereto. (By Board of Public Works)

UNANIMOUSLY VOTED that the Town raise and appropriate the sum of Twelve Thousand One Hundred and Fifteen Dollars and Fifty-eight Cents (\$12,115.58) and to transfer from Water Construction Account the sum of One Thousand Eight Hundred and Eighty-four Dollars and Forty-two Cents, to be expended under the direction of the Board of Public Works, for the purpose of purchasing or otherwise paying for land acquired under Articles 12 and 13 of the Special Town Meeting held on August 26, 1963; and to authorize the Board of Public Works to enter into any agreements or contracts with the owners of said land as are necessary in connection with the purchase thereof.

Article 25. To see if the Town will vote to raise and appropriate or appropriate from available funds a sum of money for the purchase of a billing and accounting machine to be used by the various departments of the Town, or take any action relating thereto. (By Treasurer)

VOTED that the Town raise and appropriate a sum of money, Sixty-five Hundred Dollars (\$6,500.00) for the purchase of a billing and accounting machine, under the supervision of the Treasurer, and to be used by various departments of the Town.

Article 26. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Three Thousand Seven Hundred Dollars \$3,700.00) to purchase equipment and supplies and set up a new system of billing, said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works)

VOTED that this article be indefinitely postponed.

Article 27. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the purpose of moving the Public Works office and equipment from the Town Hall to the house at the pumping station and make the necessary alterations, said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works)

VOTED that this article be indefinitely postponed.

Article 28. To see if the Town will petition the State Tax Commission for the installation of the State Assessment System as provided in Section 7A of Chapter 58 of the General Laws, or take any other action relating thereto. (By Board of Assessors)

VOTED that this article be indefinitely postponed.

Meeting adjourned at 10:40 p.m. to March 31, 1964 at 7:30 p.m.

Article 29. To see if the Town will vote to amend Section VI-D of the Zoning By-Laws by increasing the fee that is to be paid with every application or request to the Board of Appeals to pay cost of notices prescribed by law from a fee of ten dollars (\$10.00) to a fee of twenty-five dollars (\$25.00) or do anything relating thereto. (By Planning Board)

**REPORT AND RECOMMENDATION OF THE TOWN PLANNING
BOARD TO THE ANNUAL ADJOURNED TOWN MEETING**

March 24, 1964

In accordance with the provisions of the General Laws, a public hearing was held in the Town Hall on Thursday, February 13, 1964 relative to amending Section VI-D of the Zoning By-Law of the Town of Franklin, Massachusetts by increasing the application fee to the Board of Appeals from \$10.00 to \$25.00.

There were approximately seven people present and no objections were raised. The Planning Board believes that this increase is necessary since the present fee is insufficient to cover the cost of the hearing.

RECOMMENDATION: That the town vote to amend Section VI-D of the zoning by-law by increasing the fee that is to be paid with every application or request to the Board of Appeals to the Board of Appeals to pay the cost of notices prescribed by law from a fee of \$10.00 to a fee of \$25.00.

Respectfully submitted,

(Signed) ROBERT W. SIMMLER

NICHOLAS GIARDINO

JOHN R. PADULA

NORMAN C. RISTAINO

UNANIMOUSLY VOTED to amend Section VI-D of the Zoning By-law by increasing the fee that is to be paid with every application or request to the Board of Appeals to pay the cost of notices prescribed by law from a fee of \$10.00 to a fee of \$25.00.

Article 30. To see if the Town will vote to transfer certain property owned by the Town, located on the easterly side of Summer Street, as shown on a plan entitled "Compiled Plan of Land in Franklin, Mass.," drawn by Walter E. Sampson, Registered Land Surveyor, dated November 1, 1963, which plan has been duly recorded in the Norfolk County Registry of Deeds, consisting of ninety-eight (98) acres, more or less, according to said plan, to the Conservation Commission, to be used, managed and controlled under the direction of the said Commission as authorized by General Laws Chapter 40, Section 8C as it may hereafter be amended and other statutory provisions relating to conservation, including the

protection and development of the natural resources and the protection of the watershed resources of the Town; or to take any other action relating thereto. (By Conservation Commission)

UNANIMOUSLY VOTED that the Town transfer certain property owned by the Town, located on the easterly side of Summer Street, as shown on a plan entitled "Compiled Plan of Land in Franklin, Mass.," drawn by Walter E. Sampson, Registered Land Surveyor, dated November 1, 1963, which plan has been duly recorded in the Norfolk County Registry of Deeds, consisting of ninety-eight acres, more or less, according to said plan, to the Conservation Commission, to be used, managed and controlled under the direction of the said Commission, as authorized by General Laws Chapter 40 Section 8C, as it may thereafter be amended and other statutory provisions relating to conservation, including the protection and development of the natural resources and the protection of the watershed resources of the Town.

Article 31. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the purpose of purchasing and equipping the following:

One Dump Truck (with trade in)

One Platform Dump Truck

One ¾-ton Utility Pick-up (with trade in)

said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works)

UNANIMOUSLY VOTED that the Town raise and appropriate a sum of money for the purpose of purchasing and equipping the following: One Dump Truck, Eleven Thousand Fifty Dollars (\$11,050.00) and One ¾-ton Utility Pick-up (with trade in) Four Thousand Dollars \$(4,000.00) These sums are to include radios for both trucks. Said sums to be expended under the direction of the Board of Public Works.

Article 32. To see if the Town will vote to appropriate or transfer from available funds the sum of Five Hundred Dollars (\$500.00) to install an automatic fire alarm system at the Town Barn, said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works)

VOTED that this article be indefinitely postponed.

Article 33. To see if the Town will vote to raise and appropriate or transfer from available funds, or raise by bond issue or notes in accordance with the provisions of Chapter 44 of the General Laws, a sum of money for the purpose of installing a Sixteen-Inch (16") water main from the Town tanks off Fales Street and Hillside Road to a point on Chestnut Street, including all the necessary valves, fittings, gates, etc., and to acquire all the necessary easements in order to improve the water system in that section of Town, said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works)

VOTED that this article be indefinitely postponed.

Article 34. To see if the Town will vote to raise and appropriate a sum of money for the purpose of replacing the wooden fence now surrounding the Little League Field at Fletcher Field, said sum to be expended under the joint supervision of the Playground Committee and the Board of Public Works. (By Playground Committee)

VOTED that this article be indefinitely postponed.

Article 35. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to purchase One Hundred (100) new meters, old meters to be taken in trade, Ten (10) gate valves and Ten (10) hydrants to replace the old, worn-out hydrants, said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works)

VOTED that the Town raise and appropriate the sum of Five Thousand Eight Hundred and Fifty Dollars (\$5,850.00) to purchase One Hundred (100) new meters, old meters to be taken in trade, Ten (10) Gate Valves and Ten (10) hydrants to replace the old, worn out Hydrants, said sum to be expended under the direction of the Board of Public Works.

Article 36. To see if the Town will vote to transfer from the Parking Meter Account the sum of Five Hundred Dollars (\$500.00) for painting street lines in the Parking Meter Area, said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works)

VOTED that the Town transfer from the Parking Meter Account the sum of Five Hundred Dollars (\$500.00) for painting street lines in the Parking Meter Area, said sum to be expended under the direction of the Board of Public Works.

Article 37. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to paint center line traffic lines and furnish and install traffic signs on various streets, said sum to be expended under the direction of the Board of Public Works or take any action relative thereto. (By Board of Public Works)

VOTED that the Town raise and appropriate Two Thousand Dollars (\$2,000.00) to furnish and install traffic signs on various streets, said sum to be expended under the direction of the Board of Public Works.

Article 38. To see if the Town will vote to authorize the Moderator to appoint a new committee to study and reconsider the rates charged for the use of the Town Ambulance, or take any action relating thereto. (By Board of Selectmen)

VOTED that this article be indefinitely postponed.

Article 39. To see if the Town will vote to raise and appropriate or transfer from available funds in accordance with the provisions of Chapter 44, Section 64, of the General Laws, the sum of Nine Hundred Seventy Dollars and Thirty-six Cents (\$970.36) in order to pay H. Bullukian Sons, Inc., a fuel bill for building maintenance in the amount of Six Hundred Fifty-two Dollars and Ninety-one Cents (\$652.91); to pay Chiodetti's Auto Ignition a repair bill for the water division in the amount of One Hundred Sixty-seven Dollars and Seventy Cents (\$167.70); and to pay Massachusetts Electric Company an electric bill for the sewer division in the amount of One Hundred Forty-nine Dollars and Seventy-five Cents (\$149.75), said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works)

VOTED that the Town raise and appropriate a sum of money in accordance with the provisions of Chapter 44, Section 64, of the General Laws, Nine Hundred Seventy Dollars and Thirty-six Cents (\$970.36) in order to pay H. Bullukian & Sons, Inc., a fuel bill for building maintenance in the amount of Six Hundred Fifty-two Dollars and Ninety-one Cents (\$652.91); to pay Chiodetti's Auto Ignition a repair bill for the water division in the amount of One Hundred Sixty-seven Dollars and Seventy Cents (\$167.70); and to pay Massachusetts Electric Company an electric bill for the sewer division in the amount of One Hundred Forty-nine Dollars and Seventy-five Cents (\$149.75), said sum to be expended under the direction of the Board of Public Works.

Article 40. To see if the Town will vote to accept, subject to approval by the Town Counsel, a deed from Linda Construction Co., Inc. to in-

habitants, of the Town of Franklin dated Dec. 23, 1963, conveying a parcel of land in Franklin that is described in said deed as a "Park" in a plan entitled "Mackintosh Estates in Franklin, Mass., Bowie Engineering Co., Millis, Mass., Civil Engineers—Land Surveyors, April 6, 1959, Scale: 1" equals 40', said plan recorded with Norfolk Registry of Deeds, Plan Book 207, Plan 882; and that upon approval by the Town Counsel of the acceptance of such deed, the management of the land thereby conveyed shall be under the direction of the Playground Committee, or take any other action related thereto. (By Board of Selectmen)

VOTED that this article be indefinitely postponed.

Article 41. To see if the Town will vote to amend the Building By-Law by inserting immediately following lettered paragraph B; Section 2; Article 3. The following paragraph to be lettered C:

Grade and drive levels at all Cellar Garage Entrances. All cellar garage entrances, (regardless of location on the building) must have drives that slope down from door sill to a surface water run off area at least 10 inches lower than the door sill, and at least 10 feet from the building.

In no case shall a drive slope down to a cellar garage door sill depending on a drywell or drain in drive near the door, to take care of surface water. (By Planning Board and Building Inspector)

REPORT AND RECOMMENDATION OF THE TOWN PLANNING BOARD TO THE ANNUAL ADJOURNED TOWN MEETING

March 24, 1964

In accordance with the provisions of the General Laws, a public hearing was held in the Town Hall on Thursday, February 13, 1964 at 8:00 p.m. relative to amending the Building By-Law so that there will be required slopes or drives at all cellar garage entrances.

There were approximately seven people present and no objections were raised.

RECOMMENDATION: That the Town vote to amend the Building By-Law by inserting immediately following lettered paragraph B; Section 2; Article 3. The following paragraph to be lettered C: Grade and drive levels at all Cellar Garage Entrances. All cellar garage entrances, (re-

ardless of location on the building) must have drives that slope down from floor sill to a surface water run off area at least 10 inches lower than the door sill, and at least 10 feet from the building. In no case shall a drive slope down to a cellar garage door sill depending on a dry well or drain in drive near the door, to take care of surface water.

Respectfully submitted,

(Signed) ROBERT W. SIMMLER

NICHOLAS GIARDINO

JOHN R. PADULA

NORMAN C. RISTAINO

Franklin Planning Board

UNANIMOUSLY VOTED to amend the Building By-Law by inserting immediately following lettered paragraph B; Section 2; Article 3. The following paragraph to be lettered C: Grade and drive levels at all Cellar Garage Entrances. All cellar garage entrances, (regardless of location on the building) must have drives that slope down from floor sill to a surface water run off area at least 10 inches lower than the door sill, and at least 10 feet from the building. In no case shall a drive slope down to a cellar garage door sill depending on a dry well or drain in drive near the door, to take care of surface water.

Article 42. To see if the Town will vote to appropriate or to transfer from available funds a sum of money for the purpose of continuing the water main on Mill Street for a distance of about 500 feet, or to take any action relative thereto. Said sum to be expended under the direction of the Board of Public Works. (By Petition)

VOTED that this article be indefinitely postponed.

Article 43. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Fifteen Thousand Dollars (\$15,000.00) to install water treatment wells at gravel packed wells Numbers One and Two (1 and 2) off Beaver Street for the purpose of suppressing biologic activity and to stabilize iron and manganese in ground waters, said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works)

VOTED that the Town raise and appropriate the sum of Seventy-five Hundred Dollars (\$7,500.00) to install ground water treatment wells at

gravel packed well, No. 2 off Beaver Street, for the purpose of suppressing biologic activity and to stabilize iron and manganese in ground waters, said sum to be expended under the direction of the Board of Public Works.

Article 44. To see if the Town will vote to raise and appropriate, or transfer from available funds a sum of money to construct and equip a new bath house at the Town Pool, said funds to be expended under the direction of the Selectmen; or to take any other action relating thereto. (By Board of Selectmen)

VOTED that the Town raise and appropriate Eight Thousand Five Hundred Dollars (\$8,500.00) to construct and equip a new bath house at the Town Pool, said funds to be expended under the direction of the Selectmen.

Article 45. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Eighteen Thousand Dollars (\$18,000.00) for installation of a curbing and sidewalk composed of bituminous concrete and hot top materials, on both sides of a public way known as Oak Street Extension. (By Petition)

VOTED that this article be indefinitely postponed.

Article 46. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Thirty-six Hundred Dollars (\$3,600.00) for installation of a bituminous concrete curbing on both sides of a public way known as Oak Street Extension. (By Petition)

VOTED that this article be indefinitely postponed.

Article 47. To see what sum of money the Town will vote to raise and appropriate to purchase and install a CD Warning System for the Town, said sum to be expended under the direction of the Board of Selectmen and Civil Defense Director, or take any action relating thereto. (By Selectmen)

VOTED that this article be indefinitely postponed.

Article 48. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to install water mains on the following streets: Milliken Avenue (Corner of Alpine Place) a distance of approximately 1100 linear feet and Lincoln Street (Toward Med-

way line) a distance of approximately 500 linear feet, said sum to be expended under the direction of the Board of Public Works or take any action relative thereto. (By Board of Public Works)

VOTED that the Town raise and appropriate the sum of One Thousand Dollars (\$1,000.00) and to transfer from the Lincoln Street Water Account, the sum of Two Thousand Four Hundred Eighty-eight Dollars and Ninety-two Cents (\$2,488.92) to install water mains on Lincoln Street (toward Medway line) a distance of approximately 500 linear feet, said sum to be expended under the direction of the Board of Public Works.

Article 49. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for replacing filter media, piping and general improvements to sludge bed area at the Treatment Plant, said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works)

VOTED that the Town raise and appropriate the sum of Two Thousand Dollars (\$2,000.00) for replacing filter media, piping and general improvements to sludge bed area at the treatment plant, said sum to be expended under the direction of the Board of Public Works.

Article 50. To see if the Town will vote to raise and appropriate or transfer from available funds, the sum of One Thousand Dollars (\$1,000.00) for the maintenance of the Auxiliary Police of Franklin, said sum to be spent under the direction of the Board of Selectmen, or do anything relating thereto. (By Selectmen)

VOTED that the Town raise and appropriate the sum of One Thousand Dollars (\$1,000.00) for the maintenance of the Auxiliary Police of Franklin, said sum to be expended under the direction of the Board of Selectmen.

Article 51. To see if the Town will appropriate a sum of money to lay out and construct a system of sewerage on Highland Street (from Concord Street to Oak Street), Oak Street (from Highland Street to Concord Street) and Lexington Street; to determine how the same shall be raised, whether by taxation, transfer, borrowing or any combination thereof; to determine the assessment of costs of this system; or to take any other action relating thereto. (By Petition)

VOTED that this article be indefinitely postponed.

Article 52. To see if the Town will vote to modify and change the Zoning Map of the Town of Franklin from Rural Residential I to Limited

Industrial I. Parcel I. Said parcel is bounded as follows: Northwesterly by Pine Street 400 feet; thence running parallel with the Northeasterly side-line of proposed Route 495; Southeasterly by Mine Brook; Southwesterly by the Northeast sideline of proposed Route 495; Northwesterly by the Town line between Franklin and Bellingham. (By Franklin Industrial Development Commission)

**REPORT AND RECOMMENDATION OF THE TOWN PLANNING
BOARD TO THE ANNUAL ADJOURNED TOWN MEETING**

March 24, 1964

In accordance with the provisions of the General Laws, a public hearing was held in the Town Hall on Thursday, February 13, 1964 at 8:15 p.m. relative to amending the zoning map of the town of Franklin, Massachusetts by changing from Rural Residential I to Limited Industrial I a parcel of land bounded by Pine Street, proposed Route 495, Mine Brook and the Franklin-Bellingham town line.

There were approximately 28 people present and no objections were raised. Since the land is adjacent to the proposed Route 495 and is more suitable for industrial buildings rather than residential homes, the Planning Board was unanimously in favor of this change.

RECOMMENDATION: That the Town vote to modify and change the zoning map of the Town of Franklin, Massachusetts from Rural Residential I to Limited Industrial I. Parcel I. Said parcel is bounded as follows: Northwesterly by Pine Street 400 feet, thence running parallel with the Northeasterly side-line of proposed Route 495; Southeasterly by Mine Brook; Southwesterly by the Northeast sideline of proposed Route 495; Northwesterly by the town line between Franklin and Bellingham.

Respectfully submitted,

(Signed) ROBERT W. SIMMLER

JOHN R. PADULA

NORMAN C. RISTAINO

Franklin Planning Board

UNANIMOUSLY VOTED to modify and change the zoning map of the Town of Franklin, Massachusetts from Rural Residential I to Limited Industrial I. Parcel I. Said parcel is bounded as follows: Northwesterly by Pine Street 400 feet, thence running parallel with the Northeasterly

sideline of proposed Route 495; Southeasterly by Mine Brook; Southwesterly by the Northeast sideline of proposed Route 495; Northwesterly by the town line between Franklin and Bellingham.

Article 53. To see if the Town will vote to modify and change the Zoning Map of the Town of Franklin from Rural Residential I to Limited Industrial I. Parcel 2. Said parcel bounded as follows: Northeasterly by Southwesterly line of proposed Route 495; Southerly, Southeasterly, and Southerly again by the existing boundary of Single Family Residential III; Southwesterly by the existing boundary of Limited Industrial I; Northwesterly by the Town line between Franklin and Bellingham. (By Franklin Industrial Development Commission)

REPORT AND RECOMMENDATION OF THE TOWN PLANNING

BOARD TO THE ANNUAL ADJOURNED TOWN MEETING

March 24, 1964

In accordance with the provisions of the General Laws, a public hearing was held in the Town Hall, Franklin, Massachusetts on Thursday, February 13, 1964 at 8:15 p.m. relative to amending the zoning map of the Town of Franklin by changing from Rural Residential I to Limited Industrial I, a parcel of land bounded by the proposed Route 495, existing Single Family Residential III boundary, and existing Limited Industrial I boundary, and the Franklin-Bellingham town line.

There were approximately 28 people present and no objections were raised. Since the parcel is adjacent to the proposed Route 495 and the land is more suitable for industrial purposes rather than residential purposes, the Planning Board was unanimously in favor of this change.

RECOMMENDATION: That the town vote to modify and change the zoning map of the town of Franklin from Rural Residential I to Limited Industrial I. Parcel 2. Said parcel is bounded as follows: Northeasterly by the Southwesterly line of proposed Route 495; Southerly, Southeasterly and Southerly again by the existing boundary of Single Family Residential III; Southwesterly by the existing boundary of Limited Industrial I; Northwesterly by the town line between Franklin and Bellingham.

Respectfully submitted,

(Signed) ROBERT W. SIMMLER

Franklin Planning Board

UNANIMOUSLY VOTED to modify and change the zoning map of the Town of Franklin from Rural Residential I to Limited Industrial I. Parcel 2. Said parcel is bounded as follows: Northeasterly by the Southwesterly line of proposed Route 495; Southerly, Southeasterly and Southerly again by the existing boundary of Single Family Residential III; Southwesterly by the existing boundary of Limited Industrial I; Northwesterly by the town line between Franklin and Bellingham.

Article 54. To see if the Town will vote to modify and change the Zoning Map of the Town of Franklin from Single Family Residential III and Rural Residential I to Limited Industrial I. Parcel 3. Said parcel is bounded as follows: Easterly by the existing boundary of Industrial II; Northeasterly and Northwesterly by West Central Street to a point 200 feet Westerly of the Intersection of the baseline of the New York, New Haven & Hartford Railroad and the sideline of West Central Street; thence running at right angles to West Central Street to a brook; thence bounded Southeasterly by the brook; being the boundary of the Limited Industrial I area; thence Southerly by the New York, New Haven and Hartford Railroad. (By Franklin Industrial Development Commission)

REPORT AND RECOMMENDATION OF THE TOWN PLANNING BOARD TO THE ANNUAL ADJOURNED TOWN MEETING

March 24, 1964

In accordance with the provisions of the General Laws, a public hearing was held in the Town Hall, Franklin, Massachusetts on Thursday, February 13, 1964 at 8:15 p.m. relative to amending the zoning map of the Town of Franklin by changing from Single Family Residential III and Rural Residential I to Limited Industrial I a parcel of land bounded by West Central Street and the railroad tracks.

There were approximately 28 people present and no objections were raised. This parcel contains 30 acres of land and presently borders Industrial zoned land and will be a continuation of such a district along the railroad tracks.

RECOMMENDATION: That the town vote to modify and change the zoning may of the Town of Franklin from Single Family Residential III and Rural Residential I to Limited Industrial I. Parcel 3. Said parcel is bounded as follows: Easterly by the existing boundary of Industrial II; Northeasterly and Northwesterly by West Central Street to a point 200 feet Westerly of the intersection of the baseline of the New York, New

Haven and Hartford Railroad and the sideline of West Central Street; thence running at right angles to West Central Street to a brook; thence bounded Southeasterly by the brook, being the boundary of the Limited Industrial I area; thence Southerly by the New York, New Haven and Hartford Railroad.

Respectfully submitted,

(Signed) ROBERT W. SIMMLER
NICHOLAS GIARDINO

NORMAN C. RISTAINO
Franklin Planning Board

UNANIMOUSLY VOTED to modify and change the zoning map of the Town of Franklin from Single Family Residential III and Rural Residential I to Limited Industrial I. Parcel 3. Said parcel is bounded as follows: Easterly by the existing boundary of Industrial II; Northeasterly and Northwesterly by West Central Street to a point 200 feet Westerly of the intersection of the baseline of the New York, New Haven and Hartford Railroad and the sideline of West Central Street; thence running at right angles to West Central Street to a brook; thence bounded Southeasterly by the brook, being the boundary of the Limited Industrial I area; thence Southerly by the New York, New Haven and Hartford Railroad.

Article 55. To see if the Town will vote to modify and change the Zoning Map of the Town of Franklin from Rural Residential I to Limited Industrial I. Parcel 4. Said parcel is bounded as follows: Northeasterly by the existing boundary of Limited Industrial L; Southeasterly by Grove Street; Southeasterly again by land of the New York, New Haven & Hartford Railroad; Southwesterly and Westerly by a line running 500 feet in parallel to and distant from Spring Street; Northwesterly by a line running 500 feet in parallel to and distant from West Central Street. (By Franklin Industrial Development Commission)

VOTED that this article be indefinitely postponed.

Article 56. To see if the Town will vote to modify and change the Zoning Map of the Town of Franklin from Rural Residential I to Industrial II. Parcel 5. Said parcel is bounded as follows: Northerly and Northwesterly by land of the New York, New Haven & Hartford Railroad; Southerly by the existing boundary of the Industrial II area; and Southwesterly by the Northeast sideline of proposed Route 495. (By Franklin Industrial Development Commission)

VOTED that this article be indefinitely postponed.

Article 57. To see if the Town will vote to modify and change the Zoning Map of the Town of Franklin from Single Family Residential II to Industrial II. Parcel 6. Said parcel is bounded as follows; Northwesterly by the existing boundary of the Single Family Residential IV area; Southeasterly by a line 250 feet in parallel to and distant from Washington Street; Southwesterly by the Northeast sideline of proposed Route 495. (By Franklin Industrial Development Commission)

VOTED that this article be indefinitely postponed.

Article 58. To see if the Town will vote to modify and change the Zoning Map of the Town of Franklin from Single Family Residential III to Limited Industrial I. Parcel 7. Said parcel is bounded as follows: Northeasterly by the Southwest sideline of proposed Route 495; Southeasterly by a line 500 feet in parallel to and distant from King Street; Southwesterly by a line 1,900 feet in parallel to and distant from the Southwest sideline of proposed Route 495; Northwesterly by Washington Street. (By Franklin Industrial Development Commission)

VOTED that this article be indefinitely postponed.

Article 59. To see if the Town will vote to modify and change the Zoning Map of the Town of Franklin from Rural Residential I and Single Family Residential III to Limited Industrial I. Parcel 8. Said parcel is bounded as follows: Northwesterly by King Street; Northeasterly by a line 1,900 feet in parallel to and distant from the Northeast sideline of proposed Route 495; Easterly by Summer Street; Southerly by the Northerly sideline of proposed Route 495; Southwesterly by Union Street. (By Franklin Industrial Development Commission)

VOTED that this article be indefinitely postponed.

Article 60. To see if the Town will vote to modify and change the Zoning Map of the Town of Franklin from Rural Residential I and Single Family Residential III to Commercial II, Parcel 9. Said Parcel is bounded as follows: Northeasterly and Easterly by Union Street; Southwesterly by the Northeasterly sideline of proposed Route 495; Northwesterly by King Street. (By Franklin Industrial Development Commission).

UNANIMOUSLY VOTED that the Town modify and change the Zoning Map of the Town of Franklin from Rural Residential I and Single Family Residential III to Commercial II. Parcel 9. Said parcel is bounded

as follows: Northeasterly and Easterly by Union Street; Southwesterly by the Northeasterly sideline of proposed Route 495; Northwesterly by King Street.

Article 61. To see if the Town will vote to modify and change the Zoning Map of the Town of Franklin from Rural Residential I to Limited Industrial I. Parcel 10. Said parcel is bounded as follows: Northerly by the Southerly sideline of proposed Route 495; Southeasterly by the Town line between Franklin and Wrentham; Southwesterly by a line 1,900 feet in parallel to and distant from proposed Route 495; Northwesterly by the existing boundary of Limited Industrial I area. (By Franklin Industrial Development Commission).

VOTED that this article be indefinitely postponed.

Article 62. To see if the Town will vote to modify and change the Zoning Map of the Town of Franklin from Single Family Residential III to Commercial II. Parcel 11. Said parcel is bounded as follows: Southerly and Southwesterly by West Central Street; Westerly by a line 200 feet in parallel to and distant from Conlyn Avenue; Northeasterly by the Southwesterly line of proposed Route 495. (By Franklin Industrial Development Commission).

VOTED that this article be indefinitely postponed.

Article 63. To see if the Town will vote to modify and change the Zoning Map of the Town of Franklin from Single Family Residential III to Commercial I. Parcel 12. Said parcel is bounded as follows: Easterly by Pond Street; Southerly by West Central Street; Southwesterly by the Northeasterly sideline of proposed Route 495; Northerly by a line 700 feet in parallel to and distant from West Central Street. (By Franklin Industrial Development Commission).

REPORT AND RECOMMENDATION OF THE TOWN PLANNING BOARD TO THE ANNUAL ADJOURNED TOWN MEETING MARCH 24, 1964.

In accordance with the provisions of the General Laws, a public hearing was held in the Town Hall, Franklin, Massachusetts on Thursday, February 13, 1964 at 8:15 p.m. relative to amending the zoning map of the town of Franklin by changing from Single Family Residential III to Commercial I a parcel of land located at the corner of West Central Street and Pond Street.

There were approximately 28 people present and no objections were raised. This parcel of land is near the access to Route 495 and will be available for Commercial enterprises which will service the new highway.

RECOMMENDATION: That the town vote to modify and change the zoning map of the town of Franklin from Single Family Residential III to Commercial I. Parcel 12—Said parcel is bounded as follows: Easterly by Pond Street; Southerly by West Central Street; Southwesterly by the Northeasterly sideline of proposed Route 495; Northerly by a line 700 feet in parallel to and distant from West Central Street.

Respectfully submitted,

Robert W. Simmiller

Nicholas Giardino

Robert E. Ficco

Franklin Planning Board

UNANIMOUSLY VOTED that the town modify and change the zoning map of the Town of Franklin from Single Family Residential III to Commercial I. Parcel 12—Said parcel is bounded as follows: Easterly by Pond Street; Southerly by West Central Street; Southwesterly by the Northeasterly sideline of proposed Route 495; Northerly by a line 700 feet in parallel to and distant from West Central Street.

Article 64. To see if the Town will vote to accept as a public way a private way known as Ray Street as laid out by the Board of Selectmen according to a plan on file with the Town Clerk, pursuant to Chapter 82 of the General Laws; or take any other action relating thereto. (By Planning Board).

TOWN OF FRANKLIN

PLANNING BOARD

Franklin, Mass.

The town vote to accept as a public way that portion of a private way known as Ray Street, extending from the intersection with Dean Avenue to its intersection with Emmons Street, as laid out by the Board of Selectmen in accordance with plans on file with the Town Clerk.

VOTED that the Town accept as a public way a private way known as Ray Street as laid out by the Board of Selectmen according to a plan on file with the Town Clerk, pursuant to Chapter 82 of the General Laws.

Article 65. To see if the Town will vote to accept as a public way a private way known as Julia Avenue as laid out by the Board of Selectmen according to a plan on file with the Town Clerk, pursuant to Chapter 82 of the General Laws; or to take any other action relating thereto. (By Planning Board).

TOWN OF FRANKLIN

PLANNING BOARD

Franklin, Mass.

That the town vote to accept as a public way that portion of a private way known as Julia Avenue, extending for a distance of 300 feet more or less beginning at the corner of Lot 70 as shown on plan entitled "Pinehurst Plat in Franklin, Mass.," dated May 24, 1911 and recorded with Norfolk Registry of Deeds as plan #2842 in Plan Book 59 as laid out by the Board of Selectmen in accordance with plans on file with the Town Clerk.

VOTED that the town accept as a public way that portion of a private way known as Julia Avenue, extending for a distance of 300 feet more or less beginning at the corner of Lot 65 where it meets Lot 64 extending to Lot 70 as shown on plan entitled "Pinehurst Plat in Franklin, Mass.," dated May 24, 1911 and recorded with Norfolk Registry of Deeds as plan #2842 in Plan Book 59 as laid out by the Board of Selectmen in accordance with plans on file with the Town Clerk.

Article 66. To see if the Town will instruct the Moderator to appoint a Seven Man Survey Committee to complete the study of the Reservoir, including one member of the Board of Public Works, and two members of the Franklin Industrial Development Commission, or to do anything relating thereto. (By Franklin Industrial Commission).

VOTED that this article be indefinitely postponed.

Article 67. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Two Thousand Five Hundred

Dollars (\$2,500.00) to resurface the Parking Area at Fletcher Field, said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works).

VOTED that this article be indefinitely postponed.

Article 68. To see if the Town will vote to accept as public ways the following private ways or portions thereof, as laid out by the Board of Selectmen according to plans on file with the Town Clerk, pursuant to Chapter 82 of the General Laws:

1. Pine Ridge Drive — Beginning at a point 1300 feet from the intersection of Sherman Avenue, extending northeasterly and southeasterly approximately 360 feet to the southeasterly intersection of Mackintosh Street.
2. Mackintosh Street — Extending for a distance of approximately 600 feet southeasterly, 480 feet northeasterly, 200 feet northwesterly and 500 feet northeasterly from the northwesterly intersection of Pine Ridge Drive to the northeasterly intersection of Pine Ridge Drive.
3. Sargent Lane — Extending for a distance of approximately 350 feet southeasterly from the northwesterly intersection of Dartmouth Road to the southeasterly intersection of Long Hill Road.
4. Dartmouth Road — Extending for a distance of approximately 900 feet southwesterly from the intersection of Mackintosh Street.
5. Lincolnwood Drive — Extending for a distance of approximately 600 feet easterly from the intersection of Lincoln Street.
6. Jimmy Street— Extending for a distance of approximately 600 feet westerly from the easterly intersection of Pond Street to the westerly intersection of Besso Street.
7. Pyne Circle — Extending for a distance of approximately 525 feet northwesterly from the intersection of Pond Street.
8. Beth Road — Extending for a distance of approximately 350 feet northeasterly from the intersection of Mill Street.
9. Laurel Court — Extending for a distance of approximately 450 feet southeasterly from the intersection of Maple Street.

10. Carpenter Street — Extending for a distance of approximately 460 feet northerly from the intersection of Skyline Drive.

11. Shepherd Road — Extending for a distance of approximately 300 feet northeasterly from the southwesterly intersection of Daniels Street to the northeasterly intersection of Skyline Drive.

12. Skyline Drive — Extending for a distance of approximately 1100 feet southeasterly from the northwesterly intersection of Lincoln Street to the southeasterly intersection of Shepherd Road.

Or to take any other action relating thereto. (By Planning Board).

UNANIMOUSLY VOTED that the town accept as public ways the following private ways or portions thereof, including the takings or acceptance of easements for sewer and drainage purposes, as laid out by the Board of Selectmen according to plans on file with the Town Clerk, pursuant to Chapter 82 of the General Laws.

1. Pine Ridge Drive — Beginning at a point 1300 feet from the intersection of Sherman Avenue, extending northeasterly and southeasterly approximately 360 feet to the southeasterly intersection of Mackintosh Street.

2. Mackintosh Street — Extending for a distance of approximately 600 feet southeasterly, 480 feet northeasterly, 200 feet northwesterly and 500 feet northeasterly from the northwesterly intersection of Pine Ridge Drive to the northeasterly intersection of Pine Ridge Drive.

3. Sargent Lane — Extending for a distance of approximately 350 feet southeasterly from the northwesterly intersection of Dartmouth Road to the southeasterly intersection of Long Hill Road.

4. Dartmouth Road — Extending for a distance of approximately 900 feet southwesterly from the intersection of Mackintosh Street.

5. Lincolnwood Drive — Extending for a distance of approximately 600 feet easterly from the intersection of Lincoln Street.

6. Jimmy Street — Extending for a distance of approximately 600 feet westerly from the easterly intersection of Pond Street to the westerly intersection of Besso Street.

7. Pyne Circle — Extending for a distance of approximately 525 feet northwesterly from the intersection of Pond Street.

8. Beth Road — Extending for a distance of approximately 350 feet northeasterly from the intersection of Mill Street.

9. Laurel Court — Extending for a distance of approximately 450 feet southeasterly from the intersection of Maple Street.

10. Carpenter Street — Extending for a distance of approximately 460 feet northerly from the intersection of Skyline Drive.

11. Shepherd Road — Extending for a distance of approximately 300 feet northeasterly from the southwesterly intersection of Daniels Street to the northeasterly intersection of Skyline Drive.

12. Skyline Drive — Extending for a distance of approximately 1100 feet southeasterly from the northwesterly intersection of Lincoln Street to the southeasterly intersection of Shepherd Road.

Article 69. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to install street lights on all or any of the streets accepted at the annual Town Meeting, said sum to be expended under the direction of the Board of Selectmen, or do anything relating thereto. (By Selectmen).

VOTED that the Town raise and appropriate a sum of money, Seven Hundred Dollars (\$700.00) to install street lights on all or any of the streets accepted at the Annual Town Meeting, said sum to be expended under the direction of the Board of Selectmen.

Article 70. To see if the Town will vote to accept Chapter 478, of the Acts of 1963, which Act increases the amounts of pensions and retirement allowances of certain former public employees; or take any other action relative thereto. (By Selectmen).

VOTED that this article be indefinitely postponed.

Article 71. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the purpose of installing drainage on various streets throughout Town, said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works).

VOTED that the Town raise and appropriate a sum of money, Six Thousand Dollars (\$6,000.00) for the purpose of installing drainage in the

School Street and Crescent Street area and Four Thousand Dollars (\$4,000.00) for installing drainage on Bent Street, said sums to be expended under the direction of the Board of Public Works.

Article 72. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Two Thousand Dollars (\$2,000.00) for Poison Ivy and Brush Control, said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works).

VOTED that the Town raise and appropriate the sum of Two Thousand Dollars (\$2,000.00) for Poison Ivy and Brush Control, said sum to be expended under the direction of the Board of Public Works.

Article 73. To see if the Town will vote to raise and appropriate the sum of Two Thousand Five Hundred Dollars (\$2,500.00) to remove badly decayed and dangerous trees in our Town roads, said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works.)

VOTED that the Town raise and appropriate the sum of Two Thousand Dollars (\$2,000.00) to remove badly decayed and dangerous trees in our Town roads, said sum to be expended under the direction of the Board of Public Works.

Article 74. To see if the Town will vote to raise and appropriate the sum of Seven Hundred Dollars (\$700.00) to purchase and plant new shade trees, said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works).

VOTED that the Town raise and appropriate the sum of Seven Hundred Dollars (\$700.00) to purchase and plant new shade trees, said sum to be expended under the direction of the Board of Public Works.

Meeting adjourned at 11 P.M.

GEORGE W. DANA, Town Clerk

PROCEEDINGS OF SPECIAL TOWN MEETING

June 29, 1964

The Meeting was called to order at 8:25 P.M. by George W. Dana, Town Clerk, in the absence of the Moderator, Robert Bell was elected Moderator Pro tem, at the High School, a quorum being present and voting.

The following were appointed Tellers and they were sworn by the Moderator to the faithful performance of their duties: Lewis J. Cataldo, Connor J. Pond, Trueman J. Menadue, Jack Nasuti.

Article 1. To see if the Town will vote to raise and appropriate, or transfer from available funds, or raise by bond issue, or any combination thereof, pursuant to the provisions of the General Laws, Chapter 44 and Chapter 645 of the Acts of 1948, as amended, a sum of money to be used in addition to and in conjunction with the sum of Nine Hundred Eighty-six Thousand (\$986,000.00) Dollars, raised and appropriated by the vote under Article 1 of the Special Town Meeting, held on January 14, 1964, to construct, equip and furnish a new elementary school building, or to take any other action relating thereto. (Elementary School Building Committee).

By a Secret Ballot YES 143, NO 35 it was voted that the Town appropriate the sum of \$65,000.00 in addition to the moneys previously appropriated, for constructing, equipping and furnishing an elementary school building on the easterly side of Pond Street and that to meet this appropriation the treasurer with the approval of the selectment is authorized to issue \$65,000.000 bonds or notes of the Town under Chapter 44 of the General Laws, as amended, payable within twenty (20) years from their dates.

Article 2. To see if the Town will vote to authorize the Board of Assessors to appoint one of its members, Mr. John Yadisernia, as a full-time assessor, and to establish the salary for such office and to raise and appropriate or transfer from available funds a sum of money therefor, or to take any other action relating thereto. (By Board of Assessors).

VOTED that the Town authorize the Board of Assessors to appoint one of its members, Mr. John Yadisernia, as a full time Assessor for the period beginning July 1, 1964 and ending December 31, 1964; that the Town raise and appropriate the sum of One Thousand Four Hundred and Thirty Dollars (\$1430) to be paid said full time Assessor, which sum is in addition to his salary as the present Chairman of said Board of Assessors.

Article 3. To see if the Town will vote to sell and convey to the Calvary Baptist Church of Franklin, Massachusetts, for the sum of money as the Town may determine, a certain lot or parcel of land situated on the Easterly side of Summer Street in said Franklin, bounded westerly by Summer Street, there measuring 133 feet; southerly by other land of the Town of Franklin, there measuring 400 feet; easterly by other land of the Town of Franklin, there measuring 133 feet; and northerly by other land of said Calvary Baptist Church, there measuring 400 feet, or to take any other action relating thereto. (By Board of Selectmen).

By a Standing Vote YES 83, NO 13 it was voted that the Town sell and convey to the Calvary Baptist Church of Franklin, Massachusetts, for the sum of \$200.00, a certain lot or parcel of land situated on the easterly side of Summer Street in said Franklin, bounded westerly by Summer Street, one hundred Thirty-three (133) feet; southerly by other land of the Town of Franklin, four hundred (400) feet; easterly by other land of the Town of Franklin, one hundred thirty-three (133) feet; and northerly by other land of said Calvary Baptist Church, four hundred (400) feet; that said parcel be released from the jurisdiction, management and control of the Conservation Commission, as voted under Article 30 of the 1964 Annual Town Meeting; and that the Selectmen are directed to execute a deed transferring said parcel in such form as the Town

Counsel may approve, and that the said Calvary Baptist Church, its successors and assigns may not sell, transfer or convey said parcel to any other party except the Town of Franklin and at a sum not in excess of \$200.00.

Article 4. To see if the Town will vote to raise and appropriate or transfer from available funds in accordance with the provisions of Chapter 44, Section 64, of the General Laws, the sum of One Thousand Dollars (\$1,000.00) in order to pay McIntyre & Johnson, Inc., Civil Engineers, a bill for engineering services performed in 1957 in conjunction with the Grove Street water project, said sum to be expended under the direction of the Board of Public Works, or to take any other action relating thereto. (By Board of Public Works).

UNANIMOUSLY VOTED that the Town raise and appropriate, in accordance with the provisions of Chapter 44, Section 64, of the General Laws, the sum of One Thousand Dollars (\$1,000.00) in order to pay McIntyre & Johnson, Inc., Civil Engineers, a bill for engineering services performed in 1957 in conjunction with the Grove Street water project, said sum to be expended under the direction of the Board of Public Works.

Article 5. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Twelve Hundred Fifty Dollars (\$1,250.00) to purchase and install a complete snow plow and snow plowing unit including plow, plow frame, air cylinders, hoses, and all the necessary appurtenances, said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works).

VOTED that the Town raise and appropriate the sum of Twelve Hundred Dollars (\$1,200.00) to purchase and install a complete snow plow and snow plowing unit including plow, plow frame, air cylinders, hoses, and all the necessary appurtenances, said sum to be expended under the direction of the Board of Public Works.

Article 6. To see if the Town will vote to elect the Board of Selectmen, consisting of three (3) members, in the following manner, and in accordance with the General Laws, Chapter 41, Section 2; At the Annual Town Meeting in March 1965, the Town shall elect one selectman for the term of one (1) year, one selectman for the term of two years, and one selectman for the term of three (3) years; and at each annual town meeting thereafter, it shall elect one selectman for the term of three (3) years. (By Board of Selectmen).

VOTED that this article be indefinitely postponed.

Motion to adjourn carried at 10:25 P.M.

A true record attest:

GEORGE W. DANA, Town Clerk

PROCEEDINGS OF SPECIAL TOWN MEETING**August 5, 1964**

The Meeting was called to order by the Moderator, Paul A Cataldo at 8:15 P.M. at the High School Auditorium, a quorum being present and voting.

The Moderator then appointed the following Tellers and they were sworn by him to the faithful performance of their duties: Anthony Lovetere, Walter Chilson, Frank DeLucia and Benjamin Thomas.

The Warrant and Return of the Warrant was read by the Town Clerk.

Article 1. To see if the Town will vote to raise and appropriate, or transfer from available funds a sum of money to be used in addition to and in conjunction with the funds voted under Article 11 of the Special Town Meeting held August 26, 1963, for improvements to the Town water system, or take any other action relating thereto. (By Board of Public Works).

UNANIMOUSLY VOTED that the Town raise and appropriate the sum of Fourteen Thousand Two Hundred Ninety (\$14,290.00) Dollars to be used in addition to and in conjunction with the funds voted under Article 11 of the Special Town Meeting held August 26, 1963, for improvements of the Town water system, said funds to be expended under the direction of the Board of Public Works.

Article 2. To see if the Town will vote to transfer from available funds under the provisions of Chapter 822, Acts of 1963, the sum of Seventeen Thousand Forty-eight Dollars and Eighty-four Cents (\$17,048.84) to perform construction work and resurface the following streets: (1) Acorn Place, from the junction of Chestnut Street northeasterly a distance of approximately 800 feet; (2) Maple Street, from Partridge Street southeasterly a distance of approximately 1400 feet; and (3) Cottage Street, from the junction of East Central Street, southwesterly a distance of approximately 700 feet, said sum to be expended under the direction of the Board of Public Works, or take any other action relating thereto. (By Board of Public Works).

UNANIMOUSLY VOTED that the Town transfer from available funds under the provisions of Chapter 822, Acts of 1963, the sum of seventeen thousand forty-eight dollars and eighty-four cents (\$17,048.84) to perform construction work and resurface the following streets: (1) Acorn Place,

from the junction of Chestnut Street northeasterly, a distance of approximately eight hundred feet (800'); (2) Maple Street, from Partridge Street southeasterly, a distance of approximately fourteen hundred feet (1400'); and (3) Cottage Street, from the junction of East Central Street southwesterly, a distance of approximately seven hundred feet (700'); said sum to be expended under the direction of the Board of Public Works.

Article 3. To see if the Town will vote to accept the provisions of Chapter 56 of the Acts of 1964, an act relative to the use of certain annual sewer rentals or charges of the Town of Franklin and eliminating the limitation on the amount of money said Town may raise or appropriate for the improvement of its water works or appliances, or to take any other action relating thereto. (By Board of Public Works).

UNANIMOUSLY VOTED that the Town accept the provisions of Chapter 56 of the Acts of 1964, an act relative to the use of certain annual sewer rentals or charges by the Town of Franklin and eliminating the limitation on the amount of money said Town may raise or appropriate for the improvement of its water works or appliances.

Article 4. To see if the Town will vote to raise and appropriate, or transfer from available funds, a sum of money to extend an eight inch (8") sewer main on Summer Street, southerly, a distance of approximately three hundred feet (300'); said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works).

UNANIMOUSLY VOTED that the Town lay out and construct a system of sewerage and sewerage disposal on Summer Street, starting at an existing manhole and thence running southerly a distance of approximately three hundred (300) feet, and that the amount of Six Thousand Five Hundred (\$6,500.00) Dollars be transferred from available funds voted under Article 46 of the Annual Town Meeting of March 26, 1963, and that one-third of the cost of the street construction be assessed upon the owners of the estates situated within the territory embraced by said system and benefited thereby, said sum to be expended under the direction of the Board of Public Works.

Motion to adjourn carried at 8:45 P.M.

Question No. 1 — Proposed Amendment to the Constitution

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held March 29, 1961, received 219 votes in the affirmative and 26 in the negative, and in a joint session of the two branches held May 8, 1963, received 244 votes in the affirmative and 14 in the negative?

Summary — The proposed amendment provides that the terms of office of the Governor, Lieutenant Governor, Secretary of the Commonwealth, Treasurer and Receiver General, Attorney General and Auditor shall be four years. Executive Councillors, Senators and Representatives shall continue to serve for two years. The four-year term for constitutional officers would become effective at the time of the November election in the year 1966.

Question No. 2—Proposed Amendment to the Constitution

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held July 18, 1962, received 238 votes in the affirmative and 1 in the negative, and in a joint session of the two branches held May 8, 1963, received 246 votes in the affirmative and 2 in the negative?

Summary — In the event that any public office, whether elective or appointive, shall become vacant as a result of enemy attack, the proposed amendment would enable the General Court to provide for prompt and temporary succession to the powers and duties of such offices, and to take steps to insure continuity of government of the Commonwealth and its political subdivisions.

Question No. 3—Proposed Amendment to the Constitution

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held March 29, 1961, received 251 votes in the affirmative and 0 in the negative, and in a joint session of the two branches held May 8, 1963, received 252 votes in the affirmative and 3 in the negative?

Summary — The proposed amendment provides that the credit of the Commonwealth may be given, loaned or pledged only by a two-thirds vote of each branch of the Legislature. In no event shall the credit of the Commonwealth be given or loaned to or for any individual, private association or corporation privately owned or managed.

Question No. 4 — Proposed Amendment to the Constitution

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held July 18, 1962, received 220 votes in the

affirmative and 24 in the negative, and in a joint session of the two branches held May 8, 1963, received 258 votes in the affirmative and 1 in the negative?

Summary — The proposed amendment authorizes both the Governor and the Executive Council to require opinions of the Justices of the Supreme Judicial Court on questions of law. The present requirement that the Governor and Council agree before a question may be submitted would be annulled.

Question No. 5 — Law Proposed by Initiative Petition

Do you approve of a law summarized below which was disapproved in the House of Representatives by a vote of 109 in the affirmative and 109 in the negative and was disapproved in the Senate by a vote of 16 in the affirmative and 20 in the negative?

Summary — The proposed measure provides that henceforth appointments in the executive branch of the government shall not require the advice and consent of the Governor's Council. Exceptions to this provision include appointments to the Youth Service Board, Industrial Accident Board, Commission of the Department of Public Utilities, Parole Board and Appellate Tax Board, which appointments shall continue to require Council action. However, should the Council fail to act upon such appointments within thirty calendar days, then the person involved shall be deemed to have been lawfully appointed. Any appointment in the executive branch by an officer other than the Governor which heretofore required Council approval shall henceforth require approval by the Governor.

Removals from office shall no longer require the advice and consent of the Council, except in the case of the Youth Service Board, which removals must still receive Council approval. As in the case of appointments still requiring Council approval, such recommended removal from the Youth Service Board must be acted upon by the Council within thirty calendar days; otherwise the proposed removal shall become effective as if approval had been given. In the case of any appointment which heretofore required Council approval the Governor may, within fifteen days of making the appointment, remove the person appointed without cause.

The Council shall no longer be required to approve the fixing of any compensation for services rendered in the executive department. And henceforth there need be no approval by the Council of actions or agreements by executive officers, including but not limited to borrowings and loans, investments, leases, licenses, purchases and conveyances, and contracts, and also including the promulgation of rules and regulations.

Notwithstanding the foregoing, the Governor shall at all times remain free to seek the advice and consent of the Council upon any matter.

Question No. 6 — Law Submitted Upon Referendum After Passage

Do you approve of a law summarized below, which was approved in the House of Representatives by a vote of 180 in the affirmative and 40 in the negative and was approved in the Senate by a vote of 28 in the affirmative and 5 in the negative?

Summary — Under the Act, effective as of January 1, 1964, each member of the General Court shall receive seventy-eight hundred dollars for each regular annual session, the President of the Senate and the Speaker of the House of Representatives shall each receive the same amount as additional compensation, and the floor leaders of each of the major political parties in the Senate and House, the Chairman of the Senate Committee on Ways and Means and the Chairman and Vice-Chairman of that committee of the House, shall each receive thirty-nine hundred dollars as additional compensation, to be paid as provided in the Act. After the same date the annual expense allowance is to be six hundred dollars for each member and the travel allowance is to be eight cents per mile with a stated minimum and an alternative, and a member chosen to fill a vacancy or who resigns during a session is to be entitled to per diem compensation at the rate for each regular annual session and to the allowances for travel and other expenses for the time of his membership.

It is also provided that in addition to the compensation for the 1963 annual session the President of the Senate and Speaker of the House shall be paid thirty-nine hundred dollars, the floor leaders of each major political party in the Senate and House, the Chairman of the Senate Committee on Ways and Means and Chairman and Vice-Chairman of that committee of the House shall be paid twenty-nine hundred

and twenty-five dollars and each other member shall be paid nineteen hundred and fifty dollars. Each member shall also be entitled to an additional expense allowance of two hundred dollars for the calendar year 1963 and the travel allowance shall be at the rate of eight cents per mile with a stated minimum and an alternative for the balance of the calendar year 1963.

Town Clerk

PROCEEDINGS OF SPECIAL TOWN MEETING**November 17, 1964**

The meeting was called to order by the Moderator, Paul A. Cataldo, at 8:22 P.M. in the Auditorium of the Franklin High School, Oak Street.

In the absence of the Town Clerk, Edmund J. Keefe was elected Clerk pro tem.

The Moderator appointed the following to act as tellers and they were sworn to the faithful performance of their duties: Lewis J. Cataldo, Jack Nasuti, Robert Simmler and Anthony Lovetere.

Article 1. To see if the Town will vote to instruct the Moderator to appoint a committee to be known as the "School Building Needs Committee" which committee will undertake to study and to make recommendations concerning additional school buildings; that said committee is to consist of five school committee members and five other persons to be appointed by the Moderator; that the sum of Five Thousand Dollars (\$5,000.00) be raised and appropriated or transferred from available funds to be used by said committee for such study, including consultation of costs; or to take any other action relative thereto (By the School Committee)

UNANIMOUSLY VOTED that a committee to be known as the "School Building Needs Committee" be formed, which committee will be instructed to undertake to study and to make recommendations concerning additional school buildings; that said committee is to consist of seven (7) persons as follows: three (3) School Committee members to be chosen by the School Committee, one (1) Planning Board member to be chosen by the Planning Board, and three (3) other persons to be chosen by the Moderator; and that the sum of Five Thousand Dollars (\$5,000.00) be raised and appropriated, to be used by said committee for such study, including consultations with architects, obtaining options, obtaining proposed plans and estimates of costs, etc.

Article 2. To see if the Town will vote to convey to Frank J. Lyman a certain parcel of land with the buildings thereon located on Oak Street containing three hundred fifty-five (355) square feet of land, more or less, as shown on a plan entitled "Plan of land in Franklin" dated October 3, 1963, Ernest W. Branch, Inc., Civil Engineers; to determine what sum of money, if any, the Town shall receive for such conveyance. (By High School Bldg. Committee)

UNANIMOUSLY VOTED that the Town convey to Frank J. Lyman a certain parcel of land with the buildings thereon located on Oak Street containing three hundred fifty-five (355) square feet of land, more or less, as shown on a plan entitled "Plan of Land in Franklin" dated October 3, 1963, Ernest W. Branch, Inc., Civil Engineers, and that the sum of one dollar (\$1.00) be paid to the Town for such conveyance.

The meeting adjourned at 9:05 P.M.

A true record, attest:

REPORT OF THE DOG OFFICER**December 31, 1964**

To the Honorable Board of Selectmen:

I hereby submit my report relative to dogs in the Town of Franklin during the calendar year of 1964.

Number of dogs licensed	704
Number of Kennels licensed	16
Number of stray dogs killed and buried	114
Number of dogs killed by cars	58
Number of dogs struck by cars and destroyed	11
Number of dogs killed by request of owner	23
Number of dogs restrained	0

I have answered 464 complaints pertaining to dogs. This is a decrease of 43 over last year. There was a decrease in the killing of livestock and poultry by dogs during the past year.

It is important that all owners of dogs, license these animals in their custody which are three months old or reach the age of three months during the year.

Attention is hereby called to the following extract from Chapter 136A as amended by Chapter 111, Acts of 1943 of the General Laws:

"The owner or keeper of a licensed dog shall cause it to wear around its neck a collar or harness of leather or other suitable material, to which shall be securely attached a tag in the form prescribed by the director, and upon which shall appear the license number, the name of the town issuing such license and the year of issue."

Respectfully submitted,

HENRY D. BROGAN

Dog Officer

REPORT OF THE FRANKLIN CONSERVATION COMMISSION

To the Honorable Board of Selectmen:

This commission has moved slowly in comparison with commissions of many other towns which have spent large sums of money for conservation of land. Considerable progress is planned for 1965 to enable Franklin to retain suitable and sorely-needed land for conservation and recreation.

During the year Mr. Walter Chilson replaced Woodrow Abbott, who resigned, on the commission. We are fortunate to now have a man whose background, interests and knowledge will enable us to accomplish a great deal towards conservation in our town.

The Commission fully endorses the article requesting a soil study in the Town of Franklin, which the Planning Board will place before the annual town meeting.

Among three studies underway by the Commission is the excellent recreational possibility of the so-called Town Farm Land off Summer Street.

The Commission earnestly hopes that committees selected to study school sites will recommend sufficient land to include an area on the school site to be retained in its natural state.

Schools play an important part in the development in the student of a conservation conscience and a stewardship of environment. School natural areas provide workshops for teachers and have been proven highly successful in other Massachusetts towns.

No additional appropriation has been requested for the year 1965. Much more work and study is needed to complete our plans to acquire land suitable for conservation. We sincerely hope that these plans will receive the support of all townspeople when they are presented.

Conservation has suddenly become one of the most pressing matters for every community on all fronts, including the preservation of water and watersheds, and this Commission this year will take aim on these phases and exploit every possibility to the end that generations to come may enjoy their American heritage, greater health and recreation and protect every natural resource.

Respectfully submitted,

ALBERT F. GRANGER, Chairman
ROGER RONDEAU, Secretary
CHARLES AULERICH
ROBERT FICCO
WALTER CHILSON
JEANNETTE HARDING
DORIS GOODWIN

Conservation Commission

HORACE MANN MEMORIAL COMMITTEE REPORT

To the Board of Selectmen:

Gentlemen:

On January 22, 1964, the Board of Selectmen voted to form a committee to be known as the Horace Mann Memorial Committee. The purpose of this committee was to properly recognize and honor Franklin's most famous native son, Horace Mann. Mr. Charles R. Masi was appointed chairman, and Mrs. Charles Jarret, Miss Lorraine Metcalf and Mr. Frank Brunelli were also appointed as members with instructions to expand the committee from interested citizens in the community.

On January 24, 1964, the first meeting was held and the following were selected to serve on this committee: Mr. John Rizoli, Mr. William Garner, Mr. Howard Abbott, Mrs. Grace Ostrander, Mr. Nicholas Giardino and Mr. William Feeley. Mrs. Charles Jarret was elected Secretary and Mr. William Feeley was elected Treasurer. Regular monthly meetings were held. Much research was done by members and a large volume of correspondence was handled with other interested people and organizations throughout the country, indicating great interest in Horace Mann.

The Horace Mann Birthday Memorial Celebration organized by the Committee and held at the Horace Mann Monument site at East Central Street on his birthday, May 4, attracted many local and state dignitaries, educators and interested people.

The enthusiastic response to this type of observance has encouraged the committee to plan for more elaborate yearly memorial exercises. The Committee has also initiated plans to enlarge and enhance the present Horace Mann Monument site.

Respectfully submitted,

CHARLES R. MASI

Chairman

REPORT OF THE BOARD OF HEALTH

To the Honorable Board of Selectmen:

Gentlemen:

We respectfully submit the annual report of the Board of Health for the year ending December 31, 1964.

Licenses usually granted by this Board were issued again this year, such licenses as Milk, Oleo, Pasteurization, Funeral Directors, certain alcohol licenses.

Day care centers and nursery schools are now controlled by the State Department of Health.

A new article of the Mass. Sanitary Code containing sanitary regulation governing food service establishments has been accepted by the State Health Department after a public hearing, and will be used as a guide by this Board for more intensive inspections in such places of business during the coming year.

Many complaints were received on nuisances concerning sources of filth and odors. Persons responsible were ordered to abate them.

Housing is still on the increase in unsewered areas, this Board is guided by Article XI of the Mass. Sanitary Code.

The end of 1964 saw the resignation of the Board Chairman Dr. Walter F. Crowley, who resigned after more than 25 years of Board of Health service.

C. LINCOLN DANA, M.D.

PETER O'BRIEN ..

Board of Health

ANNUAL REPORT OF THE BOARD OF HEALTH NURSE

I herewith submit the Annual Report of the Board of Health Nurse:

MATERNITY SERVICE—(Guidance and nursing care)

Visits before birth	52
Visits after birth	117

PREMATURE BIRTHS

Stillborn	0
Succumbed after birth	2
Survived	18
Visits to survivors	52

The law requires a home appraisal visit and nursing report on all premature babies.

HEALTH GUIDANCE (Infant to adult)

Visits to babies 1 month to 1 year	232
Visits to children 1 year through 4 years	144
Visits to children 5 years through 18 years	36
Visits to adults with special problems	13

WELL CHILD CLINICS

Number of clinics	31
Number of appointments	451
Families served	174
Number D.P.T. shots	221
Salk shots	18
Vaccinated	36
Referred for correction of defects	11
Referred for treatment of acute condition	12

HANDICAPPED CHILDREN

Physically handicaped	
(Infant, Pre-school and Parochial school)	58
Mental retardation (Infant and Pre-school age)	4
Annual census supplied Massachusetts State Department	
Mental Health and Education	
All handicaped children are under medical supervision	

COMMUNICABLE DISEASE

Tuberculosis

No sanatorium admissions or discharges in 1964	
Number of chest clinics serviced	10
Attendance at clinic	463
Visits to active, inactive cases, contacts and suspects	37
Visits for acute communicable disease	11

IMMUNIZATION CLINICS

Prevention or Diphtheria and Tetanus	
Attendance pre-school and school age	314
Prevention of Polio	
Oral Sabin drinks given	840

PAROCHIAL SCHOOL SERVICE—PART TIME

Enrollment in 1964	
Number school visits	84
Number home visits	40

PHYSICAL EXAMINATIONS

First grade — 4th grade — 9th grade	
Examined to date	115
Notice of defects	15
Medical attention for defects	13

VISION SCREENING

Number screened	585
New failures	15

Parents co-operate well obtaining medical care for vision defects.

It became necessary to solicit voluntary aid to help us with vision screening. The State Dept. of Health trained Mrs. Connor Pond and she gave weeks of free service.

HEARING TESTS

Number screened to date	480
New failures	2

DENTAL EXAMINATION

Conducted by Hygienist from State Department	
Grade 1 through 6 number examined	495
Referred for care	173
Care completed	56

Some dental care is needed where families have been economically unable to cope.

SPEECH THERAPY

Number participating on private paying basis	5
--	---

For years 2 nurses served a population of 7000. In the spring of 1964 a part-time nurse was added to a 2-nurse staff. We are now involved with a population of approximately 15000, and in addition conduct 4 clinics monthly and supply Nursing Service to St. Mary's School.

The social and economic pattern of our community has considerable influence on our Public Health Needs.

Part time clerical help became available in October and is helping to meet an urgent need.

I would like to thank the school physicians, our local dentists, and school personnel for their interest and co-operation.

I am also most grateful to Dean Junior College and maintenance personnel for their continuous co-operation; to the Lions Club, Elks, Salvation Army and Rotary Club for support of projects.

Bedside nursing visits are not included in this report. Figures for this service are submitted to the Franklin Nursing Association.

Respectfully submitted,

ANNE M. CURTIN, R.N.

In Memoriam

JOSEPH PIERRIE

Member of Fire Department—1922 - 1964

Member of Board of Selectmen—1955

Former Town Constable

REPORT OF THE FIRE DEPARTMENT

To the Honorable Board of Selectmen:

The Fire Department responded to 49 box alarms during the year 1964. In addition, we had a total of 133 still alarms, 13 resuscitator calls, 0 rescue calls, 18 hospital beds moved and 206 tanks of water to homes where wells went dry. 3 Mutual Aid calls were made to Wrentham and 1 to Norfolk at their request. Our total runs for fires, forest fires, ambulance calls, etc., totaled 1031 in comparison to 831 calls made in 1963.

During the dry spell in the spring, your fire department spent several weeks pumping water from the new well into the town water system to alleviate a serious water condition that existed.

Our Fire Alarm system was extended to allow the two Nursing Homes, American Felt Co., Garelicks Dairy and the Electroformex Plant along with the new project at the Housing for the Elderly to be connected into the fire alarm system.

During the year our night man, Joseph Pierrie passed away after faithfully serving the department for over forty years. We also lost two of our call men, one through retirement and the other by moving out of town. We did add one more permanent man to our force during the year.

Our most pressing problem remains that of manpower due to the increased calls being made on the department and the fact that a sufficient number of call men are not readily available.

In the budget, I have requested that four additional permanent men be appointed to alleviate some of our manpower problems.

For the year 1965 I recommend the sum of \$73,114.25.

Respectfully submitted,

CHARLES S. GUERRA, Chief

AMBULANCE REPORT

To the Honorable Board of Selectmen:

The town owned ambulance operated by the Fire Department completed the year 1964 with a total of 427 trips to hospitals, nursing homes and doctors offices.

The receipts for the year amounted to \$3,803.00.

Our ambulance is now four years old and I recommend that it be traded this year.

A list of trips made are as follows:

Milford	219
Boston	74
Doctors Offices	21
Roslindale	18
Norwood	16
Nursing Homes	13
Attleboro	13
Framingham	11
Worcester	9
Woonsocket	9
Pondville	5
Foxboro	4
Needham	3
Cambridge	2
Lakeville	2
Brookline	2
Providence	1
Marlboro	1
Brockton	1
Whitinsville	1
Wellesley	1
Rutland	1

For the year 1965 I recommend the sum of \$5,500.00.

Respectfully submitted,

CHARLES S. GUERRA, Chief

REPORT OF THE FOREST FIRE DEPARTMENT

To the Honorable Board of Selectmen:

During the year 1964, the Forest Fire Department responded to 171 woods, grass and brush fires.

We were very fortunate this year not to have any major forest fires. We did have a great many small fires, the majority of which were caused by the careless use of incinerators and careless smoking.

Our forest fire trucks are now 28, 25 and 18 years old and very serious consideration should be given to their replacement.

For the year 1965 I recommend the sum of \$3,300.00.

Respectfully submitted,

CHARLES S. GUERRA

Forest Warden

**REPORT OF THE NORFOLK COUNTY MOSQUITO
CONTROL PROJECT**

To the Citizens of Franklin:

Submitted herewith is the report of the Norfolk County Mosquito Control Project of its activities in the Town of Franklin for the year ending December 31, 1964.

Aerial Spraying	620 acres
Ground Spraying	795 acres
Ground Pre-hatch Dusting	76 acres
Drainage	2,550 feet
Brush Clearing	600 feet
Culverts Cleaned	11 Culverts
Catch Basins Treated	716 Catch Basins

Respectfully submitted

JOHN C. KUSCHKE
Superintendent

REPORT OF DIRECTOR OF CIVIL DEFENSE

To the Honorable Board of Selectmen:

Gentlemen:

It is my pleasure to submit the following report for Franklin Civil Defense for the year 1964 as follows:

1. Intelligence—Selectmen of Town of Franklin, Civil Defense Director, Dept. Civil Defense Director.
2. Auxiliary Police Force Trained by Local Police Chief and members of regular force to control panic, direct traffic and take part in rescue work. This unit of faithful and loyal men who perform thousands of hours of duty, I express my personal gratitude for such service by these men to the Town.
3. Board of Welfare—To take care of emergency lodgings, feeding, clothing, registrations, financial assistance, and evacuation. Many volunteers are needed to train and serve in this Emergency Welfare Service to increase its efficiency in Fallout Shelters of the community.
4. Radio by RACES—Radio Amature men, and radio students for transmission of messages of Civil Defense. This unit of radio communications men have served many long hours of faithful service during Control Center CCX, hurricanes, disaster service, I express my gratitude to these men who give so freely and sincerely of their time in the performance of duty.
5. Transportation—Control of school buses, transportation of supplies, evacuation of school children and personnel in emergency, this voluntary service by local transportation businessmen has been lost to the Franklin public, in favor of out of town concern.
6. Auxiliary Fire—Would like to see many volunteers for this branch of service respond, to build up an Emergency Fire Fighting and Rescue crew to assist regulars in time of need, under the direction of the Fire Chief.

7. Dept. of Public Works—Engineering, control of highways, Water Dept., sanitation, contamination, repair of roads.
8. Medical and Nursing—Need of medical and nursing personnel to form emergency units is very much in want. Mrs. Eleanor J. Stobbart, CD Nurse Officer of Franklin, and her assistants deserve high praise for their devotion in giving churches, clubs, instructions on Home Shelter and preparedness courses, and Disaster Care classes during 1964 in Franklin and nearby towns.
9. Radiac Officer and Monitors—Radiac Officers and Monitors are urgently in demand at this time to determine by Radiation instruments readings, and when safe to approach contaminated areas. Courses were held in the past, many persons have been assigned to Shelter locations in Franklin, but personnel for this unit is badly wanted at present.
10. Education—In Franklin Schools there is in process to instruct children and adults by teachers, what to do in Civil Defense emergency.
11. Industrial Facilities—Plans for survival of industries is being improved by Civil Defense to bring industries and personnel up to date on how to cope with a disaster or nuclear attack.
12. Scuba—Teams of men in Franklin with underwater knowledge of rescue. Approved by Massachusetts Civil Defense.

In the past year Franklin establishments, buildings, schools and churches, have been surveyed by Army Engineers for public shelters and is still continuing with hopes of finding more spaces. Buildings that have Federal Requirements have been stocked with survival food supplies. Some other buildings in town could be greatly improved by reinforcing concrete overhead ceiling, air conditioning, electric lighting to meet Federal requirements.

In past National Alert practices, Fire signals and industry whistles sounds do not reach out enough to the ever increasing area of population in Franklin. I recommend that a survey be made for Alerting Sirens in various parts of town to alert the public of impending dangers or disasters.

This year the Franklin Civil Defense Plan devised from the Massachusetts Plan, was prepared and completed for each unit of town departments to carry out their assigned duties in emergency, in addition to the Federal Civil Defense Guide. This plan must be supported by the citizens of Franklin and Civil Defense to obtain State, or Federal Assistance.

It is my pleasure to thank all officers, men and women, of every Town Department and unit forces for the wonderful co-operation rendered in Civil Defense in the year 1964, an agency in need of many volunteers to train for survival to minimize the effects of an enemy attack or natural disaster.

Training courses will be continued as units are formed on a volunteer basis. Complete Activities in detail reports.

Respectfully submitted,

JOSEPH A. BORRUSO

Civil Defense Director

REPORT OF THE GAS INSPECTOR

To the Honorable Board of Selectmen:

During the year 1964, a total of 307 gas inspections were made.

According to law, every old or new home in which gas is installed must have a gas inspection. This includes all new appliances in old homes as well as new homes.

I recommend that the fees charged for inspections be increased and that the pay of the gas inspector be increased as these inspections are very time consuming.

For the year 1965 I recommend the sum of \$500.00.

Respectfully submitted,

CHARLES S. GUERRA

Gas Inspector

In Memoriam

JOHN E. MARTIN, JR.

Member of Police Department—20 years

1944 — 1964

Police Sergeant for 10 years—1954 - 1964

REPORT OF FRANKLIN POLICE DEPARTMENT

To the Honorable Board of Selectmen:

It is my duty to submit the following report on the Police Department for the year 1964.

In 1964 we had 113 arrests which are contained in the Lock-up Keepers report. We also performed the following duties:

Complaints answered	1609
Disturbances checked	509
Court cases	106
Committals	6
Dog reports	134
Bank escorts	583
Breaking and entering and larceny	54
Larcenies	151
Assistance to the sick	137
Assistance calls	57
Sudden deaths	5
Death messages delivered	5
Messages delivered	59
Prowlers reported	37
Properties checked	22,411
Doors and windows found open	108
Vandalism reported	161
Summons served for other departments	313
Summons served, local	66
Funerals escorted	29
Juvenile investigations	120
Box alarms covered	43
Brush alarms covered	3
Still alarms covered	10
No school signal	1
Street lights reported out	71
Traffic lights reported out	13
Road sanders called out	20
Road plows called out	10
Bridge repair calls	7
Complaints and investigations at Dean	39
Bank alarms answered	11
Missing persons reported	24

Missing persons located	23
Stolen cars reported	17
Stolen cars recovered	14
Lost and found	27

In 1964 we investigated 393 accidents, the months, number and type are listed below:

January	34	May	35	September	25
February	44	June	24	October	35
March	34	July	27	November	33
April	32	August	31	December	39

Two car accidents, property damage	170
two car accidents, personal injury	51
One car, fixed object, property damage	77
One car, fixed object, personal injury	24
One car, overturned, property damage	4
One car, overturned, personal injury	8
One car, pedestrian, no injuries	8
One car, pedestrian, personal injury	5
One car, hit and run, unreported	32
One car, bicycle, no injury	4
One car, bicycle, personal injury	3
Three car, property damage	1
Three car, personal injury	2
One car, railroad train, no injury	1
Two car, pedestrian, personal injury	1
Motor bike, overturned, personal injury	1
Motor scooter, overturned, personal injury	1
Two car, accident, fatal	2
One car, fixed object, fatal	1
Total	393

Traffic

Traffic continues to be one of the major problems of the Department.

Lack of parking spaces in the business district add to the problem. I recommend that the Town owned property on Depot Street known as the Gilmore property be converted into a modern parking area as soon as possible.

I also recommend that traffic lights be installed at the following locations:

1. Pleasant and Main Streets
2. Union and West Central Streets
3. Chestnut, East Central and King Streets

I further recommend that the Flashing Light now at Union and West Central Streets be erected at Washington and Union Street intersection.

Equipment

We have two cruisers which are kept busy for at least 20 hours a day. I recommend the purchase of a three wheel motorcycle which can be used to great advantage on Traffic, Illegal Parking checks, Vacant Property checks, Escorts and Business Building checks. We plan on starting a pistol range in the basement of our new Police Station, once completed it will be put to good use for all regular Police Officers and Auxiliary Police.

I also recommend the renting of Teletype equipment from the Telephone Company, every modern Police Station has this equipment and find it very valuable.

Personnel

Your Police Department is grossly undermanned. I recommend that 3 new men be appointed this year and 3 new men added in 1966. The Federal Bureau of Investigation recommends 1.5 Police Officers per 1,000 population and with Franklin fast approaching the 15,000 mark, this calls for 22 men.

We have 11 men in our Department, the average number of hours worked by the regular men is close to 55 hours a week.

It is my sincere belief that with the Town growing so rapidly and the need for additional men within the next few years that the Town will adopt the \$6300 yearly salary for Patrolmen to lure young, intelligent men into the Police Service.

I want to thank the Police Building Committee for their efforts and time. We have an excellent Police Station and it is large enough to take care of Franklins needs for many years to come. We are all very proud of our new quarters and extend our thanks to all who made it possible.

I want to thank the Board of Selectmen and all other Town Officials for their cooperation during the past year.

I also want to thank all the members of the Auxiliary Police for the thousands of hours that they donate so willingly and so efficiently.

And last but not least, the members of the Police Department for their cooperation and understanding.

Respectfully submitted,

ARTHUR C. PELLEGRINI

Chief of Police

REPORT OF FRANKLIN POLICE DEPARTMENT

To the Honorable Board of Selectmen:

Arrest Reports

Drunkenness	27

Lock-up Keeper

REPORT OF INSPECTOR OF ANIMALS

January 15, 1965

To the Honorable Board of Selectmen:

The annual inspection of barns and stables just completed lists some over 500 adult cattle in the town and 100 young animals. There were 25 separate barns that were visited and all of them passed inspection.

The trend of interest and enthusiasm in pleasure horses is continuing. There are more than 100 saddle horses and ponies in the town as well as a few race horses, some standardbreds and some thoroughbreds. There are 30 stables that keep one or more horses.

Respectfully submitted,

RICHARD M. HANCOCK, D.V.M.

REPORT OF DEPARTMENT OF VETERANS' SERVICES

To the Honorable Board of Selectmen:

Submitted herewith is the annual report of the Department of Veterans' Services.

Veterans' Benefits, which are authorized under Chapter 115, as amended, of the General Laws of the Commonwealth of Massachusetts, is a program for wartime veterans and their dependents who are in need of financial relief. The State and the Town share equally in the cost of this assistance.

The increased cost of living is reflected in the Veterans' Benefits Budget, particularly in the area of medical assistance. There is also an increase of 6% in the cash assistance, effective January 1, 1965.

This office also assists veterans and their dependents in their dealings with the Veterans' Administration.

I wish to thank the Honorable Board of Selectmen and other town officials for their co-operation throughout the year.

Respectfully submitted,

CARMELITA HEALEY,

Agent and Director

REPORT OF THE WIRING INSPECTOR

To the Board of Selectmen:

A total of 441 wiring permits were issued during the year of 1964. The Town Treasurer collected the sum of \$3,417.94 for the permits.

Respectfully submitted,

JAMES A. MOLLOY,

Wiring Inspector

ANNUAL REPORT**FRANKLIN REDEVELOPMENT AUTHORITY—1964**

To the Honorable Board of Selectmen:

During the past year the Housing and Home Finance Agency of the United States Urban Renewal Administration substantially completed its field studies and administrative review of all phases of the Horace Mann Project No. Mass. R-76.

On November 20, 1964, the Franklin Redevelopment Authority received official notification that the Urban Renewal Commissioner had reviewed the Horace Mann Final Project Report and extended the reservation of Federal capital grant funds for the Horace Mann Project in the amount of \$1,321,000.00.

A deadline of March 5, 1965 has been established for submission by the Authority of an acceptable Part II Application for Loan and Grant. Authorization was also given to proceed with obtaining necessary local approvals. This will entail a public hearing, required by law, followed by a warrant submitted to the voters in a open Town Meeting. Plans for both the public hearing and Town Meeting are currently under way.

Prior to the Public Hearing, a brochure will be mailed to all voters and interested parties, fully informing them of all phases of the Horace Mann Downtown Renewal Plan, including the distribution of cash between the Federal Government, the State and the Town.

During the year, the Citizens Advisory Committee was reorganized by the Board of Selectmen and, under the capable direction of Co-Chairmen Mr. Frank DeLucia and Mr. Charles Desaulniers, has become a valuable aid in informing the people of Franklin of the necessity for code enforcement and community improvement.

Co-ordination is continuing also with all local, federal and state agencies, including the Board of Selectmen, the Town Planning Board, all Town Department Heads, F.H.A., Small Business Administration, Public Housing Authorities, etc., to achieve all objectives of the Urban Renewal and Community Improvement Program. State and Federal legislation in 1964 has also materially improved the prospect of enabling the Authority to provide low interest loans to residents and local small businessmen,

particularly those who need assistance in relocating or rehabilitating homes and business within the Horace Mann Project area.

Respectfully submitted,

RICHARD C. MORRISSEY, Chairman
T. FRANCIS McGUIRE, Vice Chairman
EDWARD A. MONIER, Treasurer
ROBERT BELL, Ass't Treasurer
WALTER E. SIMPSON, Secretary

REPORT OF FRANKLIN LIBRARY ASSOCIATION

For the Year 1964

The Franklin Library Association proudly announces that the combined circulation for the year 1964 reached a peak of 86,983. This figure is partly the result of the efficiency of the staff, the number of new books added (2,426), and the new borrowers, who took out cards (1,925). The present staff includes the following:

Miss Dianne DaVia, Head Librarian
(Resigned October 29, 1964)

Mrs. Jean Miller

Mrs. Betty Swenson

Miss Hazel Gay

Mrs. Georgeann McDonald

Miss Joyce Adams

Mrs. Martha Allen

Miss Dianne Danis

Miss Cynthia Di Pietro

Miss Carol DiMartino

The officers elected for 1964 are:

Mr. Trueman J. Menadue, President

Mr. Edmund J. Keefe, Vice President

Mrs. C. Lincoln Dana, Treasurer

Mr. Ruston Lodi, Secretary

Board of Directors:

Miss Marion Holmes

Mr. George Dana

Mr. William Garner

Mr. John Goodwin
Dr. James Howard
Mr. Ray Parmenter (Past President)

The Association would like to thank the following book and record donors:

Mr. Morrill Slack	Mrs. Jesse Hoyt
Mr. Foster Cohoon	Miss Sara Conroy
Mrs. Jeannette Harding	Mr. Walter E. Mitchell, Jr.
Mr. Philip B. Sharpe	Mr. Arthur Bonney
Mr. William Stewart	Mr. David Lukens
Mrs. Nicholas Jeon	Master Richard McCall

Franklin Teachers Club in memory of Mrs. John Dahlquist's father, Mr. Charles Newton March.

Division of Library Extension, Department of Education
American Savings & Loan Association.

Mr. Menadue and Miss DaVia would also like to give special thanks to Mrs. Jeannette Harding for her floral arrangements each month and the Aldenette Club for its story hours. The Community Service Department of the Alden Club held its annual Hobby Show in the Lecture Room. We also want to thank Mr. Raymond Peterson and his insurance agency for providing the library yearly with book marks.

In October a Children's Book Fair was held in the Lecture Room by the librarians of the Children's Room.

Miss DaVia's resignation, after a very commendable performance, took effect on October 29, 1964. This prompted the formation of a Librarian Committee, whose duties would be to publicize and interview applicants for the opening.

Mrs. Swenson, acting head librarian, is to be complimented for her cooperation in preparing this report.

The Franklin Library Association respectfully requests the sum of \$30,595.23 plus the Dog Tax for its 1965 budget. This amount includes a sum from the State which will be returned to the Town.

Respectfully submitted,

RUSTON F. LODI,

Secretary

REPORT OF FRANKLIN AUXILIARY POLICE

To the Honorable Board of Selectmen:

I submit this report of the Auxiliary Police Unit. We have finished 11 years of duty and training. We have again attended 10 weeks of schooling by Chief Arthur Pellegri, church duty, parades, field days, accidents, fires and all affairs we could assist at.

We have some new members replacing old who I feel deeply indebted to. Lt. Robert Jesseau after 11 years; Thomas Sampson, 21 year; Alfred Goodwin, 21 years. These men gave uncountable hours of duty. The Unit thanks them.

We thank the people of Franklin for supporting us through our appropriation and hope they will again this year. We have renewed equipment and have some new equipment which was needed. We will continue this program.

We were covered by insurance and a member that was injured on an accident traffic assignment has received this amount 4 fold. We were happy we had been able to insure them as this happened the second year and this man has been out with the injury since May.

To Chief Arthur Pellegri and the Regular Force, the Board of Selectmen and the Townspeople, we thank you for your cooperation. To the members of the Unit my humble thanks for their willingness and service.

Respectfully submitted,

GEORGE H. ELLIS,

Chief Auxiliary Police

Withdrawals	5,616.70
Balance December 31, 1964	\$5,877.00

Respectfully submitted,

ELDON D. SEWELL

Building Inspector

REPORT OF INDUSTRIAL AND DEVELOPMENT COMMISSION

To the Honorable Board of Selectmen:

During the past year the Commission held joint meetings with the Board of Selectment to resolve the Town's public transportation problems and to instigate some action on promoting work on Route 495. Regarding the transportation problem, we have been informed by a bus line, that it would step in to service this area, should the New York, New Haven & Hartford Railroad abandon service to the community. Through our joint efforts, the Regional Route 495 Association has been reactivated, and much progress has been made in promoting work on Route 495. Several members of the Commission attended a recent meeting of the Association in Northboro, and a great deal is being done to expedite the progress of this Route.

It is the general consensus of opinion among members of the Commission that Franklin does not yet have sufficient land zoned for industry and business. Further rezoning articles to be included in the Town Warrant have been postponed at the request of the Planning Board, pending the study which is to be made of the present over-all zoning in the Town.

The Commission has met with a local manufacturer, and is cooperating with him and the Development Corporation in his application for ARA aid, needed for the purchase of new equipment for his plant.

As Chairman of the Commission, I feel that the By-laws should be changed so that nine members comprise the Commission, rather than fifteen, thus making it much easier to meet a quorum. An attempt will be made to bring this about.

We feel much of the groundwork has been laid for the future industrial growth of the community. With definite action now being taken on Route 495, the Town will offer added benefits to its established industries and to new business.

Respectfully submitted,

FRANKLIN INDUSTRIAL DEVELOPMENT COMMISSION

WILLIAM SYMMES, Chairman

ANNUAL REPORT OF THE TOWN PLANNING BOARD

For the Year Ending December 31, 1964

To the Honorable Board of Selectmen:

During the past year the Planning Board held twenty-seven (27) meetings and four (4) hearings.

Meetings were held with representatives of the Redevelopment Authority and also with the Code Review Committee of the Citizens Advisory Committee. A member of the Planning Board is serving as chairman of this committee. Under the Workable Program for Community Improvement, the Planning Board has worked in conjunction with the various town inspectors to delineate sections of the Town for various inspections.

The Planning Board has applied for federal assistance for updating our capital budget program and zoning map and providing us with general technical assistance.

The Board is recommending that a soil study be undertaken within the Town. This will help our board and other boards or committees to determine suitable sites for industry, schools, homes and sewerage facilities.

Building within the subdivisions has continued during the year with initial building being done in the subdivisions off Washington and Pleasant Streets. A preliminary plan for 350 house lots for land on both sides of Pond Street has been filed with the board. Most of these lots will be tied in with town sewerage facilities.

John R. Padula and Charles McNally were appointed to represent the Board on the Reservoir Committee. Nicholas Giardino continued his appointment as representative of the Planning Board on the Transportation Committee. Norman C. Ristaino was appointed to represent the Planning Board on the School Needs Committee. This will give the Planning Board the opportunity to take part in future planning in these areas.

The Board also at this time believes that we should have a zoning agent to investigate zoning violations and to make determinations that our zoning by-laws and the rules and regulations of the Planning Board are being complied with throughout the Town. This will allow the building inspector to devote more time to his issuing of building permits.

The Planning Board made available to the various Town Boards and Departments a booklet containing miniature copies of the subdivision maps, so that specific residences in the various subdivisions could be located as needed by the Fire Department, Police Department, Health Department, etc.

Subdivisions

Name	Total No. of Lots	Approx. Bldg. Lots Remaining
Pheasant Hill	58	30
Brushwood Estates	67	15
Meadow Brook Estates	105	85
Benjamin Franklin Estates	86	82
Pine Glen Estates (Colonial Village)	70	23
Franklin Heights	102	102
Franklin Estates	197	32

Oakview Estates	17	8
Sloping Acres	18	18

There are nine (9) subdivisions comprised of 720 lots with 395 lots remaining to be built upon.

Respectfully submitted,

ROBERT W. SIMMLER, Chairman
JOHN R. PADULA, Vice-Chairman
CHARLES McNALLY, Secretary
NICHOLAS GIARDINO
NORMAN C. RISTAINO

FRANKLIN POLICE REPORT

To the Honorable Board of Selectmen:

I hereby submit the report of Bicycle Registration for the year ending December 31, 1964:

Appropriation	\$50.00	
Expended	13.50	
Balance	\$36.50	
Bicycles Registered—239 @ .25		\$59.75

I recommend the sum of \$50.00 for the year 1965.

Respectfully submitted,

WALTER F. CARR, JR.,
Safety Officer

ARTHUR C. PELLEGRINI,
Chief of Police

REPORT OF THE SAFETY OFFICER

To: Police Chief Arthur C. Pellegrini:

The Safety Education Program was carried out during the year 1964 in the Public and Parochial Schools as follows:

Classroom Lectures	35
Kindergarten Visits	16
Pamphlets on Safety	5000
Safety Calendars Posted	250
Safety Posters	100
Ice Checks	Daily in Season
School Bus Checks	Daily

We wish to thank School Supt. Benjamin Thomas, his staff of Principals and Teachers, The Sister Superior and all the good Sisters and Lay Teachers on her Staff and the Registry Officials for the excellent cooperation afforded us in the past year.

Respectfully submitted,

WALTER F. CARR, JR.,
Safety Officer
FRANCIS G. CARRIGAN,
Juvenile Officer

REPORT OF SEALER OF WEIGHTS AND MEASURES

To the Honorable Board of Selectmen:

The following is a report of the Sealer of Weights and Measures for the year 1964. There were 303 devices sealed which are listed below:

Scales and Balances	64
Weights	125
Liquid Measures	11
Meters	74
Pumps	2
Automatic Measures	8
Linear Measures	19
Fees received and turned in to Town Treasurer	\$174.35

Very truly yours,

ROBERT R. SHARP,
Sealer of Weights and Measures

SUMMER RECREATION REPORT

PART I — FLETCHER FIELD

The 1964 Franklin summer recreation program conducted at Fletcher Field ran for a period of eight weeks, June 29 through August 28.

Supervising Staff

Director: Mr. Ronald Bonollo

Assistants

Mr. Robert Nigro, Miss Patricia McDonald, Miss Marilyn Longobardi

Transportation

A bus was utilized for transporting children to and from the playground. An average of 70 children rode the bus in the morning, and 105 in the afternoon.

Registration and Attendance

	Total	Boys	Girls
Registration:	455	230	225
	A.M.	P.M.	
Average Attendance:	110	210	

Program

A program was planned with one or two feature events highlighting each weeks activities. The weekly cook-outs proved to be most popular of the group activities, with an average of 170 children. Other group events conducted were watermelon hunt, bubble gum contest, talent show, dress-up day, scavenger hunt, olympic games, and a dog show.

Activities for Young Boys and Girls

Under the direction of Miss McDonald and Miss Longobardi an extensive arts and crafts program was conducted each morning. The arts and crafts included weaving, leather work, plastics, shell work, and woodwork.

The afternoon session found the young children enjoying the wading pool and taking part in organized games, such as kickball, checkers, croquet, bingo, and singing.

Activities for Older Boys

The boys activities under the direction of Robert Nigro were centered around sports. The sports which proved to be most popular were baseball, basketball, boxing, softball, shuffle board, and horseshoes. The use of the bus enabled competition with neighboring playgrounds in baseball. A total of 12 baseball games were played with out-of-town teams.

Summary

The 1964 recreational program was by far the most successful to date. The success was due to the increase number of activities added over the previous year and the untiring efforts of the complete staff.

The refreshment committee would like to extend its thanks for the use of the Franklin Little League stand. The stand was opened for 30 minutes each afternoon to sell candy, ice cream, and soda, to the children.

PART II—FRANKLIN SWIM PROGRAM AT RAY MEMORIAL POOL

The Franklin Swim Program was held for a period of six weeks, June 29 through August 7, 1964. The program closely followed the educational principles as established by the American Red Cross.

The main objective of the program was to teach such knowledge and skill that would tend to eliminate danger in our most popular recreational area during the summer months, aquatics.

Franklin offers this certified course to any citizen of Franklin, regardless of age.

Pool Facilities

The new concrete structure erected this current season proved to be adequate and efficient.

The addition of electricity made it possible to introduce another phase of recreational swimming, **synchronized** swimming, of particular interest to senior students.

Supervising Staff

Director

Miss Lorraine Metcalf, W.S.I., Franklin Public Schools

Instructors

Mrs. Mary Beane, W.S.I., Nursery Training School
 Mrs. Marilyn Cormier, W.S.I., Mass. Humane Society
 Mrs. Hilda Mason, W.S.I., Wheaton College
 Mrs. Dorothy Hawisher, W.S.I., Franklin Public Schools
 Mr. Michael Crowley, W.S.I., Boston University

Program

All registrants are classified and enrolled at proper swimming levels. At completion of course certificates and pins are granted.

All classes report at nine o'clock and are dismissed at end of sectional instruction. ("Mimicry" in swimming is an invaluable aid to actual instruction.) Length of classes depend on weather, size of participating members, and the judgment of instructor.

As skills are accomplished students are moved to upper levels.

Statistical Report

	Total Registration	Certified	Progress	Incomplete
Beginners	733	209	333	191
(Pre-school 302)				
Advanced Beginners	144	45	59	40
Intermediates	271	98	115	58
Swimmers	27	10	10	7
Synchronized Swimmers	18	18		
Parents	24		24	
Junior Life Saver	30	13		17
Senior Life Saver	1			1
	1,248	393	541	314

Recommendations

1. That the program be continued at Ray Memorial Pool.
2. That the instructional budget be increased to add a new staff person.
3. That diving area be deepened and widened for safety purposes.
4. That a wire fence be considered in the long range program to offset current vandalism to building and grounds.

PART III — RETARDED CHILDREN

Held in a joint venture with the towns of Milford, Hopedale, Bellingham, Medway and Franklin.

We had a total of 32 children enrolled of which 8 children were from Franklin.

Recommendations

1. That the program be continued at both Ray Memorial Pool and Fletcher Field.
2. That we be allowed to increase our budget to add a new staff member at the pool, to increase the bus route, to have a program for winter months, to loan equipment to pre-teen football.
3. That diving area be deepened and widened for safety purposes.
4. That a wire fence be considered to be constructed at Ray Memorial Pool to help stop vandalism.
5. That our local State Representative and State Senator file a bill in the General Court to make the state owned land off Grove Street a state park for recreation.

CHARLES F. HOOPER, Chairman
LORRAINE METCALF
WILLIAM FEELEY
EDWARD MONIER
HENRI BEANE

REPORT OF THE FIELD DRIVER

To the Honorable Board of Selectmen:

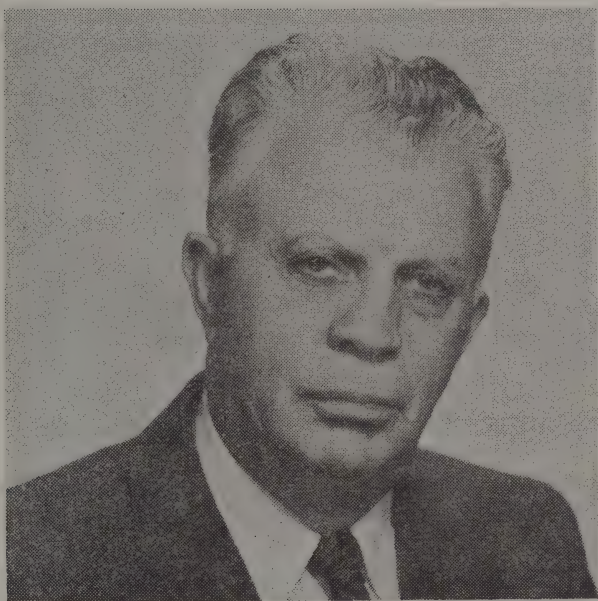

During the year 1964, there were thirteen complaints of strayed animals. These complaints were taken care of promptly.

Respectfully submitted,

HENRY J. BARDOL,

Field Driver

In Memoriam

MAURICE SIMON

Member of Housing Authority

1948 — 1964

REPORT OF FRANKLIN HOUSING AUTHORITY

To the Honorable Board of Selectmen:

The Franklin Housing Authority, authorized by Section 26-K, Chapter 121 and Chapter 667 of State Housing Board general laws, excepted as completed, 40 additional apartments and administration building to house the new office of the Authority. These apartments were allocated and fully occupied as of Dec. 1, 1964, one year after ground breaking. This brings to a total of 80 dwellings of Housing for the Elderly for persons 65 years or older, plus 28 apartments for veterans housing, built in 1949.

These apartments are all located in the southerly side of town between Wachusett street, North Park street and East Park street and are known as Central Park Terrace.

Any citizen or veteran desiring accommodations must file an application with the Executive Director at its new office, Central Park Terrace, Franklin, Mass.

The Authority meets on the second Monday of each month, 7:30 P.M.

We were saddened by the loss of Maurice Simon who had been a member of the Housing Authority since its inception in 1948.

The Franklin Housing Authority takes this opportunity to thank the Honorable Board of Selectmen, the Board of Public Works, the Board of Public Welfare, the Police and Fire Departments and any and all social and civic organizations and the general public for their splendid cooperation and assistance given us during the past year.

Respectfully submitted,

ROBERT C. HOWE, Chairman

MICHAEL PIZZI, Vice Chairman

BRUNO DiCECCO, Treasurer

CLEMENT BRUNELLI, Assistant Treasurer

JACK NASUTI, Executive Director

ANNUAL REPORT OR THE BOARD OF APPEALS

To the Honorable Board of Selectmen:

During the year 1964, the Board of Appeals held public hearings on applications submitted by the following:

January 8, 1964—

Ralph J. Bibbo seeking a special permit under Section V-F of the Zoning By-Law to remove gravel from the Town of Franklin on Elm Street to the adjoining land located in the Town of Medway, Mass. Granted with conditions.

January 8, 1964—

Harold Schwartz to build a garage closer to lot lines than zoning law requirements at 606 Pond Street. Granted.

January 29, 1964—

Louise Ducharme seeking a special permit to replace a trailer with a manufactured home on Washington Street. Denied.

January 29, 1964—

Lawre Construction Co. seeking a variance on a foundation closer than zoning law requires, Lot #2, Colt Road, off Washington Street. Granted.

January 29, 1964—

Warren L. and Alice P. Milliken to subdivide a parcel of land in an Industrial I district located on Grove Street, containing 3½ acres more or less into 2 lots having less frontage than required, one of which having less area than required, as shown on a plan of land by Walter E. Sampson, dated December 17, 1963. Denied.

February 18, 1964—

1847 Associates to vary terms of the zoning by-law on premises located at corner of Cottage and Wachusett Streets in the following respect: To build a structure on an existing foundation closer to the street and having greater density coverage and on a lot having less area than required under the zoning laws. Denied.

February 26, 1964—

William A. Somerby to vary the terms of the zoning by-law of the Town of Franklin at premises located on Forest Street, Franklin in the following respect: To allow the construction of a building to completely enclose a training track presently in use and for enclosure of stables, a snack bar and a sales room for riding equipment and to continue using the rest of the outside premises for bridle paths already in existence and use, or any limitation, extension, change alteration or modification of use, or method of use as may at hearing appear as necessary or proper in the premises. Granted with conditions.

March 11, 1964—

Thomas J. Donovan, Jr. to maintain a riding stable for the purpose of horse rentals on Elm Street, Franklin. Denied.

April 8, 1964—

Gibbs Tire Depot, Inc. to allow islands and dispensing pumps of a gasoline selling service station within the 40 ft. setback requirements and to allow a 15 foot illuminated canopy shelter over them to project to a line 4 feet away from the north line of East Central Street adjacent to the Franklin Shoppers Fair. Granted.

April 29, 1964—

Robert G. Sewell, Jr. to build a house on a lot which has no frontage on a public way off Daniels Street. Denied.

April 29, 1964—

Ralph Bent to divide a parcel of land with frontage of 459.9 feet into three lots which will have less frontage and area than zoning law requirements on Jordan Street. Withdrawn.

June 24, 1964—

First National Stores to erect a sign larger than zoning laws allow to be located at the Franklin Plaza, West Central Street. Granted.

June 24, 1964—

Stanley Marszalkowski petitioning the Board of Appeals to permit the use of land off Washington Street as shown on plan of land submitted

with the application, for a general recreation area on a commercial basis and to include, but not limited to, skiing, swimming, tennis and golf, and further to permit construction on said premises of the usual type of buildings as might be found in such an area, including, but not limiting to, a lodge, motel, inn, and restaurant and buildings to house such shops and lines or other facilities as are usually found in a resort of this type, and further to permit the conducting of any and all types of business for the operation of said resort, or any limitation, extension, change, alteration or modification of use, or method of use as may at hearing appear as necessary or proper in the permises. Granted with conditions.

June 24, 1964—

Edward Corey to allow use of an existing structure and the premises located on Partridge Street for a riding school and private stable. Granted with conditions.

July 8, 1964—

Skyline Homes, Inc. seeking a variance to construct a breezeway and garage closer to side lot lines than zoning law requires. (Lot 96 on Skyline Drive) Denied.

August 5, 1964—

Chester and Helen E. Mucciarone to vary terms of the zoning by-law in the following respect: By retaining the easterly one-half comprising a lot having 100 feet frontage on Pleasant Street and 200 foot depth southeasterly therefrom, with present dwelling house and other buildings, thereon, and conveying the remaining westerly one-half comprising a lot having 100 feet frontage on Pleasant Street and 200 foot depth southeasterly, therefrom, for purpose of enabling the purchaser of the westerly half to erect a dwelling house and other buildings thereon located at the southeasterly side of 235 Pleasant Street. Granted.

August 5, 1964—

James C. Molloy seeking a variance to construct a garage nearer the sidelot line than 10 feet and nearer to the principal building than 10 feet at 375 Oak Street. Granted.

August 5, 1964—

I. K. L. Co., Inc. seeking building permits for single family residence on lots which have less frontage and area than required by the

zoning by-laws on the westerly side of Maple Street, being lots 6 through 17 as shown on the plan of Oakview Estates. Granted with conditions.

September 23, 1964—

Sun Oil Co., Inc. requesting variance from side yard and rear yard requirements, closer than zoning law requirements at 215 E. Central Street. Denied.

September 23, 1964—

South Shore National Bank to erect a sign larger than zoning law requirements on West Central Street, Franklin, Mass. Granted.

October 14, 1964—

Donald G. Ranieri seeking a variance to erect a sign larger and closer to lot lines and locate a pump island closer to the street line than zoning law requirements on West Central Street. Granted.

October 14, 1964—

Donald Corning seeking a variance to construct a breezeway and garage closer to side lot lines than zoning law requirements, Lot 19, Sky-line Drive. Granted with restrictions.

November 18, 1964—

George Bournazian seeking a variance to construct a garage closer to the lot line than zoning law requirements at 193 Charles Drive, Franklin, Mass. Denied.

December 9, 1964—

Humble Oil and Refining Company, West Central Street, at Franklin Shopping Plaza, seeking a variance for a sign larger than zoning laws allow. Granted.

February 19, 1964 postponed and held on March 2, 1964.

Petition of Max Garelick aggrieved by his inability to obtain a building permit from the building inspector. Pending.

There were several grievance meetings held during the year.

The Appeal Board upheld the decision of the building inspector in all cases.

Board of Assessors

REPORT OF THE BOARD OF PUBLIC WORKS

The Honorable Board of Selectmen

Gentlemen:

The Town of Franklin, a community of over 15,000 people with an area of 27 sq. miles and 140 miles of roadway, is presently experiencing a population explosion which has doubled in the last five years and still shows no signs of slowing down.

A spontaneous growth of this magnitude makes it mandatory that a proper concept of community planning exists involving a desirable business, educational, and residential climate which also fosters adequate cultural and recreational facilities. This Department is endeavoring through prudent and decisive programs, and through research and development to surmount the ever-increasing problems, which, if not properly evaluated, could create an atmosphere of inefficiency, obsolescence, expensive operation, large public debts, and high taxes.

To combat the ever-encroaching evils of unpreparedness which lead to decay, this Department is proposing programs which will provide for a healthier, more vibrant community in which the environment will restore to the citizens a deep appreciation of their life and the community in which they live.

The following is a brief report of the accomplishments of the various divisions of the Department of Public Works for the year 1964.

HIGHWAY DIVISION

The Highway Division which comprises the largest number of personnel has had its work load gradually increased each year with additional roadway mileage as well as drainage and sidewalk mileage.

The work requirements of this Division have more than doubled in the past five years with a special emphasis being placed on snow plowing and sanding and salting for snow and ice control.

The following is a resume of the work performed by this Division during the year 1964:

Seal Coating—Road Surfacing	40,943 linear feet
	7.46 miles roadway
Penetrating—Road Surfacing	5, 740 linear feet
	1.09 miles of roadway
Type I—Roadway Surfacing	5,012 linear feet
	.95 miles roadway
Mix In Place—Road Surfacing	800 linear feet
	.15 miles roadway
Type I Berms	4,825 linear feet
New Construction	4,915 linear feet
	.93 miles roadway
Grand Total Miles Roadway Treated.	10.58 miles

Drainage Totals

	Linear Feet
Length of drain pipe	1,582
New catch basins	9
Adjusted catch basins	10
New manholes	7
Adjusted manholes	12
Headwalls	13
Headwalls adjusted	1

WATER DIVISION

The work load in this Division has more than doubled in the past five years. The number of water customers has increased from 2100 to over 4200. Since the manpower in this Division has remained substantially the same, it is evident that each man is called upon to produce more than double the work to keep up. The expansion to the water system, including additional water lines, a booster station, pumping station, and a 3,000,000 gallon water tank are all in various stages of completion and should be in full operation about the middle of 1965.

Statistical Information

	Gallons
Total water pumped	346,586,259
Maximum daily consumption	2,500,000
Maximum day of pumping	1,540,000
Maximum storage capacity	1,500,000
	Inches
Total yearly rainfall	39.22
Maximum monthly rainfall—December	5.87
Minimum monthly rainfall—May	.52

Total Water Commitments For Year 1964

April billing period	\$34,695.06
October billing period	50,203.84
Monthly water bills	6,580.85
Labor and materials charges	2,184.11
Water repairs	287.05

 \$93,950.91

Increase over 1963	\$ 4,431.32
--------------------	-------------

Increase over 1959	35,947.91
--------------------	-----------

SEWER DIVISION

This Division is responsible for all town sewerage installations as well as the maintenance of the sewerage pumping stations and the treatment plant. During the past year, there has been a marked increase in the number of sewer mains as well as an increase in the number of house connections and customers.

The main treatment plant, which is drastically overloaded at present, has been of considerable concern to the Board and steps have been taken to revise and increase the capacity of the plant in the near future.

Early in the year, the Federal Government was contacted and an application for federal assistance was filed. At this time, notice has been received that federal authorization for plans and specifications for this work in the amount of \$34,800 has been made.

Total yearly treated sewerage for 1964	393,050,101 gallons
---	----------------------------

1964 Sewer Commitments	\$20,509.65
-------------------------------	--------------------

A proposed 14" sewer trunk line for the new elementary school on Pond Street is being drawn up and the survey for easements is now in process. This proposed 14" line is planned as a gravity flow line to connect into the new existing gravity line now in operation in Brushwood Estates.

PARK AND TREE DIVISION

The Park and Tree Division, now completing its second year as a full-time Division of the Department of Public Works, has had its work load steadily increased during the past year.

This Division draws its equipment and personnel from other Divisions in the Department of Public Works. As the town increases and more services are required, this Division will be increased proportionately.

The following is a brief resume of the work performed during the past year:

Care and maintenance of:

**City Mills Cemetery, Common, Swimming Pool, Fletcher Field.
New Shade Trees**

1. A total of 55 new shade trees were planted at various locations.
2. This work should be continued not only as a town beautification project but to replace town trees which have been removed due to disease, storms, or accidents.

Poison Ivy and Brush Control

1. Forty-two areas infected with poison ivy were treated effectively.
2. All roadside brush areas were treated for brush control, a project which, when done effectively, can prevent costly brush cutting operations in the future.

Gypsy Moth and Elm Beetle Control

1. A 12% DDT solution or dormant spraying was applied to all town trees using the town's mist blower.
2. A follow-up application of 6% DDT with malathion for a "knock-down agent" was applied by helicopter in residential areas and the rest of the town was done with the mist blower. This work is necessary and is proving effective in controlling the American and European Elm Bark Beetles which feed on elm tree leaves and spread the Dutch Elm Disease fungus.

Decayed Trees

1. Sixty-four badly decayed and dangerous trees were taken down, chopped up, and hauled to the town dump for burning.
2. Several other trees have been topped and there are several more to come down when the ground is frozen, thereby preventing damage to lawns and shrubs.

Trimming Shade Trees

1. Low hanging branches and limbs damaged by vehicles, storms, and disease are removed and this work is done on all town trees.

2. Many town trees with dead limbs in higher locations which could fall or be blown down were removed and hauled away.

3. These operations are resumed after every storm all year round, and a constant vigil is necessary to prevent accidents.

Exterminating Dutch Elm Disease

1. All town elm trees were given a 12% DDT dormant spray with done with the mist blower.

2. A second application by helicopter of a 6% solution of DDT was used as a follow-up in the residential areas and the rest of the town was done with the mist blower.

3. Seventy-four samples from suspected elm trees were taken and sent to the Massachusetts Shade Trees Laboratory. Tests were run on these samples and twenty-four specimens proved positive. These twenty-four trees were immediately cut down, hauled to the town dump, and burned.

RECOMMENDATIONS FOR THE FUTURE

The first and most necessary commodity to an expanding community is its water supply. We are in the process of adding to our present pumping and storage capacities but this is not enough and steps must be taken to provide additional sources of supply to keep pace with our population expansion.

The open-surface reservoir previously studied seems to be the best solution. The revamping and expansion of the sewage treatment plant including the reduction of infiltration in the sewer mains should be our next achievement.

The reinforcing of our water system in the area of the shopping center at East Central and Chestnut Streets is a must.

Sewer main extensions wherever practical and economically feasible should be accomplished. These are only a few of the more pressing problems which must be solved in the near future.

At the same time, the orderly and systematic replacement of old worn out town equipment must be continued, since the repairing of obsolete equipment is a very expensive luxury which this Town can ill afford to support.

As always, this Department will strive to give to the citizens of the Town the best possible service at the lowest practical cost and at the same time, maintain a sensible balance with the economic expansion.

The Board of Public Works wishes to take this opportunity to thank Edward W. Dunphy, Director, all town officials, members of the Department of Public Works, all citizens of the Town, the Service Clubs, and the Public Utility organizations for their excellent cooperation during the past year and earnestly solicits their valued advice and assistance in the future.

Respectfully submitted,

BOARD OF PUBLIC WORKS

Kenneth W. White, Chairman

John B. Cataldo

Norman C. Ristaino

ADVISORY COMMITTEE ACTION OF FUND TRANSFERS

To the Board of Selectmen:

During the year of 1964, the Advisory Committee took the following action on requests from various departments for transfer of funds from the Emergency Fund.

April 17—D.P.W., \$300.00, Building Maintenance	Disapproved
May 25—Selectmen, \$825.00, Insurance	Approved
May 25—Selectmen, \$3,583.26, Workmens Compensation	Approved
May 26—Selectmen, \$270.00, Duplicating machine	Approved
May 28—D.P.W., \$400.00, Administration	Disapproved
June 18—D.P.W., \$2,309.10, Water Shortage	Approved \$1548.53
Sept. 10—D.P.W., \$298.48, Damage of Traffic Signal	Approved
Sept. 19—Board of Appeals, \$300.00	Approved
Sept. 29—Selectmen, \$290.00, Civil Defense	Approved \$190.00
Nov. 3—Selectmen, \$670.00, Law Account	Approved
Nov. 3—Selectmen, \$5,000.00, Veterans Services	Approved
Nov. 13—Treasurer, \$325.00, Blue Cross Account	Approved
Nov. 27—D.P.W., \$5,500.00, Water—payroll	Approved \$1500.00
Dec. 1—Wire Inspector, \$250.00, Payroll	Approved \$240.00
Dec. 2—Playground, \$37.00, Maintenance	Approved
Dec. 7—Town Clerk, \$748.12, Elections	Approved
Dec. 8—D.P.W., \$10,000.00, Snow removal	Approved \$1,000.00
Dec. 1—D.P.W., \$4,885.00 payroll, bills etc.	

Dec. 15—Selectmen, \$57.00, Fleet Insurance	Approved
	Approved
Dec. 16—D.P.W., \$1,000.00, Snow removal	Approved \$550.00
Dec. 23—Wire Inspector, .44 Overdraft	Approved
	Approved
Dec. 29—Selectmen, \$100.00, Civil Defense	Approved
	Approved
Dec. 30—Selectmen, \$1,700.00, Veterans Services	Approved
	Approved
Dec. 31—D.P.W., \$151.00, Water Emergency	Approved
	Approved
Dec. 31—D.P.W., \$1,000.00, Outstanding bills	Approved

Respectfully,

F. OTT WILBEE, Clerk

REPORT OF PERSONNEL ADVISORY COMMITTEE

Board of Selectmen:

Dear Sirs:

The Personnel Advisory Board, appointed by the Selectmen in accordance with the recommendation contained in Article No. 36 of the Annual Town Meeting, March 19, 1962, herewith submits the following report and recommendation:

That after a careful examination of the replies made to the Personnel Questionnaire submitted to twenty department heads reveal that approximately sixty percent of the twenty departments questioned have no standard personnel policy.

The members of this board concur unanimously that the Town of Franklin establish a Personnel Board and appropriate the necessary funds required for its operation.

Respectfully submitted,

BRENDAN P. HOLLAND
EUGENE P. HICKEY JR.
FRANK E. HORBERT
CHARLES J. GRASS
ROBERT J. RAPPA

Personnel Advisory Committee

REPORT OF BOARD OF PUBLIC WELFARE**For the Year Ending December 31, 1964**

To the Honorable Board of Selectmen:

The breakdown of the 1964 appropriation will be found in the Auditor's report.

Following are the major changes occurring in 1964:

On May 1, 1964 the office moved from the Town Hall to 38A Main Street, Franklin, on the second floor, which gave us the much needed space required for interviewing and complete privacy.

The office hours were changed to include 8:30 a.m. to 12:00 a.m. and 1:00 p.m. to 4:30 p.m., on Monday through Friday.

The Board meets the first Monday of the month at 7:00 p.m. in the Welfare Department office, and all other Monday afternoons at 3:00 p.m.

Mrs. Rose Salbo tendered her resignation as Junior Clerk and Typist as of June 1st to accept another position. With the abolishment of settlements on January 1st, it was found that it will not be necessary to fill the vacant position at this time.

The new system of Quality Control includes visits by the State Department personnel to the homes of clients at various times.

Fuel has been prorated over a yearly basis instead of allowing more in the winter and less in the summer months. This affected all categories.

Leisure time activity allowance was increased \$1.00 per month, on September 1, 1964, on Old Age Assistance.

During the year 1964 there were 102 applications for assistance. Of this total, 16 were for Old Age Assistance; 33 for Medical Assistance for the Aged; 33 for Aid to families of Dependent Children; 8 for Disability Assistance; and 12 for General Relief.

During the year there were 19 cases closed on O.A.A., 17 closed on M.A.A., 29 closed on A.F.D.C., 8 closed on D.A., and 10 closed on General Relief. The current case load breakdown is as follows:

Old Age Assistance	93
Medical Assistance for the Aged	58
Aid to Families of Dependent Children	33
Disability Assistance	11
General Relief	7
Total	202 cases

The Aid to Families of Dependent Children caseload includes 87 children under 18 years of age and the General Relief caseload includes 15 children under 18.

Some Nursing Home rates were increased in October and November of 1964, thereby increasing the cost of the M.A.A. plan. The increases were retroactive to May 1, 1964.

A detailed report of income and expenditures for the Welfare Department will be found in the Auditor's report.

The Welfare Board and Staff members wish to express their appreciation to the other Town Agencies, and Departments, and to the Clergy, Court Officials and Community Organizations for their continued cooperation.

We hereby submit our estimates for 1965:

Welfare Assistance	\$170,000.00
Welfare Administration	15,000.00

Respectfully submitted,

JOSEPH DICKENS

WM. F. CARBERRY

CORNELIUS F. JOHNSON, JR.

Board of Public Welfare

ANNUAL REPORT — BOARD OF SELECTMEN

The Board of Selectmen composed of John J. McCahill, Vincent J. DeBaggis and George L. Woods, Jr. held an organizational meeting on March 12, 1964, at which time Mr. McCahill was elected Chairman. Mr. DeBaggis was named clerk and Mrs. Ruth Chism was appointed secretary to the Board.

The Board of Selectmen as the Licensing Board has collected \$11,543.00 in fees during the year for various licenses and permits.

Parking Meter Receipts for the year ending December 31, 1964, total \$5,070.14 making the grand total in the Parking Meter Fund \$16,283.51.

During the year we reactivated the Citizens Advisory Committee which has done a commendable job.

We appointed the Horace Mann Memorial Committee whose report of activities is included in this book.

The old bath house at the community swimming pool was replaced by a new concrete building which we believe will prove serviceable for many years to come.

The past year we had the old shingles stripped from the Town Hall roof and had the entire surface covered with plywood and resingled with asphalt shingles. We have inserted an article in the warrant to paint the exterior of the Town Hall Building this year. We believe a reasonable maintenance program should be continued.

The Welfare Department moved from the Town Hall Building to offices on Main Street. We provided more space for the Public Works Department and we also made permanent offices available in the Town Hall for the Building Inspector and the Planning Board.

The Board of Selectmen has made application to the State Department of Public Works for the installation of STOP and GO signals at the following locations:

Chestnut and King (33 accidents past two years)

Union and West Central (24 accidents past two years)

Pleasant and Main (18 accidents past two years)

A judgment was rendered against the Town of Franklin in favor of the Franklin Salvage Co., Inc. by the Superior Court in the amount of \$5,548.72 which was paid by the Town.

The Board of Selectmen asks for the support of the townspeople to vote in favor of the Home Rule Resolution which is included as an article in our annual warrant.

We wish to thank the various department heads and various town officials for their fine cooperation and assistance during the past year.

BOARD OF SELECTMEN

JOHN J. McCAHILL, Chairman

VINCENT J. DeBAGGIS

GEORGE L. WOODS, JR.

SELECTMEN'S ESTIMATE OF DEPARTMENT EXPENSE

DEBT LIMIT OF THE TOWN OF FRANKLIN

AS OF DECEMBER 31, 1964

ROBERT J. RAPPA, Treasurer

Following is a computation of the amount which the town may legally borrow in addition to its present debt as allowed under Chapter 44, Section 10, G. L., which reads in part as follows:

"A town shall not authorize indebtedness to an amount exceeding five per cent, on the average of the assessor's valuation of the taxable property for the three preceding years, the valuations being first reduced by the amount of all abatements allowed thereon previous to December thirty-first of the preceding year; provided the value of Motor Vehicles and Trailers taxable under Chapter 60A, as determined thereunder, shall be used in determining the valuation of taxable property for the purposes of this section. All authorized debts except those expressly authorized by law to incurred outside the debt limit, shall be reckoned in determining its limit of indebtedness, under this section."

Assessors Valuation for past three years:

1964	\$23,612,874.00
1963	22,212,449.00
1962	20,690,978.00

Total Budget	\$1,104,070.99	\$1,274,085.00

REPORT OF THE SCHOOL COMMITTEE

To the Citizens of Franklin:

Your School Committee hereby submits its report for the year 1964.

The detailed and comprehensive report of our Superintendent of Schools, reports of our various school principals, Attendance Officer, Director of Administrative Services, School Nurse and Doctors contain information that will enlighten our citizens in the problems, conduct financial operation, and educational needs of the school system. Other reports from department heads, supervisors, directors, and teachers of special subjects are on file in the Superintendent's office for ready reference and study.

Modern Mathematics Course

During 1964 a course in the teaching of modern mathematics was conducted by Mr. Frank Gifune, a resident of Franklin and Head of the Mathematics Department of Wayland High School. Approximately 50 of our teachers attended this course.

We are now teaching modern mathematics in grades two and four and to selected groups in the Junior High School and High School. It is our intention to implement the modern mathematics course throughout our system.

Split Sessions

The continued growth of our town and its reflection in increased enrollment resulted in serious overcrowding in the elementary grades. It became necessary to create an eleven-room split session in grades one and two at the Parmenter School.

Five extra busses were required to transport the children on split sessions at a cost of approximately \$5,000.

Enrollment

Total membership in December was 2,927 pupils, an increase of 378 over the previous year. This is equivalent to adding a twelve-room school a year with its complement of teachers, etc.

It is anticipated that the new 25-room Pond Street School will be filled to capacity when opened in 1965 and will eliminate the overcrowding and split sessions of 1964.

The continued building of over 200 new houses a year assures need for additional classroom space in the future.

Interpretation of enrollment projections indicate the need for more elementary classrooms. Neither our present Junior High School nor our new High School will have sufficient classrooms or facilities to handle the children in the elementary grades at present.

Building Needs Committee

A special town meeting was held on Tuesday, November 17, 1964 at the request of your School Committee. A Building Needs Committee was authorized to make recommendations at a future town meeting on the purchase of sites and construction of classrooms or new schools to keep pace with the growth of the town and its school population.

Summer School

Under the sponsorship of the Parent-Teacher Association, a very successful summer school was conducted. Enrolled were 218 students. The school is self-supporting and serves the purpose of aiding students with scholastic problems.

Mr. Henri Beane is the Director and the following subjects were offered with teachers indicated:

Course	Instructor
Algebra I, Math 7, 8	John W. DiLibero
Algebra II, Modern Math, Geometry	Kenneth J. Rose
Art	Priscilla DeBaggis

Science
Bookkeeping, Math, Typing
Benglish I, II, III, IV

William J. Rex
Alan S. Evans
Benjamin D. Thomas

French I, II, Latin I, II
Remedial Reading, Remedial Arithmetic
U.S. History, Modern, World History
Librarian

Warren R. Kemp
Grace M. Ostrander
Kevin M. Quinlan
Roger Rainville

Salaries

The State Legislature's new minimum salary of \$5,000 becomes effective in September, 1965. To conform with the law, a new Franklin teachers' salary scale was adopted. A copy of the new scale is as follows:

SALARY SCHEDULE — FRANKLIN PUBLIC SCHOOLS

1965

Step	Degree	Master's Degree Plus 30 Hours		Credits
		Bachelor's	Master's	
1	\$5,000		\$5,300	
2	\$5,200		\$5,500	
3	\$5,400		\$5,700	3
4	\$5,700		\$6,000	
5	\$5,900		\$6,200	
6	\$6,100		\$6,400	3
7	\$6,400		\$6,700	
8	\$6,600		\$6,900	
9	\$6,800		\$7,100	5
10	\$7,100		\$7,400	
11	\$7,300		\$7,600	5
12 (M)	\$7,600		\$7,900	
Maximum plus Longevity				16
	\$7,900		\$8,200	\$8,500

Budget

The cost of operating the schools for 1965 shows an increase of approximately 15 percent. This increase is mostly reflected in salaries caused by the adoption of a new salary scale for all employees.

Trainable and Educable Children

The Division of Special Education approved a special class for trainable children and a class for educable children during 1964. The trainable class was required because of the elimination of these classes by the Wrentham State School. A second educable class was established because of the increase in the number of children to be taught.

School Adjustment Counselor

Mr. Trueman J. Menadue was appointed to the position of School Adjustment Counselor. His work is primarily with emotionally disturbed children in grades one through eight. This work is under the sponsorship of the Youth Service Board and the State of Massachusetts contributes \$4,500 toward the salary of the adjustment counselor.

Maintenance of Buildings

Repairs made during 1964 are contained in the report of the Director of Administrative Services which follows the Superintendent's report.

We wish to commend the Superintendent of Schools, the principals, supervisors, teachers, janitors, and all others engaged in the operation of the public schools for the fine spirit of cooperation shown in their continued efforts throughout the year.

Respectfully submitted,

LEONARD L. F. REMINGTON, Chairman
LILA W. DOE
RAYMOND D. MERCER
GUARY J. CIRONE
CARLO B. GEROMINI

School Committee of Franklin

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Franklin School Committee:

It is a pleasant duty to submit to you and to the citizens of Franklin this report on the public schools of the town. This is the eleventh annual report of the current superintendent and the seventy-fourth in the series of annual school reports.

The continued growth of our population at all levels is the outstanding feature of our schools this past year. Some interesting comparisons between 1954 and 1964 show how much our school enterprise has grown. In 1954 our total school population was 1,560. At this writing the population is 2,930, an increase of 1,370. If one remembers that Saint Mary's School was not in operation in 1954, one gets a truer picture of the growth of the school age population. In 1954 our school budget was \$354,644. In 1964 it was \$1,104,084. In 1954 our professional staff numbered 61. Today our professional staff numbers 126. Since 1954 our new high school has been built and a new elementary school is scheduled for completion. This new school on Pond Street, comprising of twenty-four regular and one special classrooms plus a cafetorium, two playrooms, and a central library, will be in operation September 1, 1965.

When the new Pond Street School is opened, every classroom will be filled as will every one in the rest of our schools. We will be able to do away with split sessions in grades one and two at the Parmenter School. In another year or two, more elementary classrooms will be necessary.

Our enrollment projection through 1970 shows the need for much more space. We must have at least thirty-five classrooms for the first six grades. The Junior High School will need eight regular classrooms plus cafeteria, shop, home economics, gymnasium, library, music, and art facilities.

The High School on Oak Street now has nearly 800 pupils. The school was designed for 750. By 1970 the high school population will increase to 1,050 approximately. This will mean an addition of substantial proportions very soon.

In planning for the future, it is essential, in my opinion, to secure school sites in strategic locations throughout the town. It appears that a

school for lower grades will be necessary on Chestnut Street, on Lincoln Street, and on Washington Street in the foreseeable future. Unless land is procured fairly soon, it will be difficult to find satisfactory school sites in the future.

In addition to space requirements, the schools have other needs if we are to play our part in shaping what President Johnson calls "the great society." The recent report of the Massachusetts Education Commission lists public kindergartens as one of its prime objectives. There has been a need for public kindergartens in Franklin for a long, long time. Our educational offerings should include a tax-supported summer session and an expanded adult education program.

Class sizes, particularly in the lower grades, have been too large for too long. In grades one through eight the standard ratio is thirty-four per 1,000. In order to compete with schools in our area, our class sizes must be reduced.

Staff changes during 1964 are listed below. Those leaving were Edward Fitzgerald, Leo VanBeaver, Judith Collins, Robert McGee, James McDermott, and J. David Guenard in the High School; Elizabeth Supple, Carolyn Kingsbury, Joaquim Carvalho, Joseph McCann, and Joan Houghton in the Junior High School; Lois Davis in the Theron Metcalf School; Frances Scott and JoAnn Cahill in the Parmenter School; and Mary Voegtlin, Speech Therapist.

New teachers in 1964 are: Judith A. Bernardo, Gail Fraser, Susan Levy, John Moore, Katherine O'Sullivan, John J. Sheehan, Anthony Williams, Rosamonde Wilson and Anna Johnson in the High School; George Hodgson, Harold Williams, Priscilla DeBaggis in the Junior High School; Donna Allard, Maryann Dobeck and Margaret Duren in the Theron Metcalf School; Judith Du'Brule and John Webster in the Horace Mann School; Carol Assetta and Ruth Brighton in the Parmenter School; Thelma Hammer in the Ray School; Trueman Menadue, School Adjustment Counselor, and Carolyn Granlund, Speech Therapist.

We were saddened during the year by the passing of one of our most beloved teachers. Mrs. Anna Whitaker personified all that was good about a teacher. Her children were always well taught. Parents and children held her in high regard. Her colleagues had admiration and respect for her work and for her as a person. We will all miss her. We are all better for having known her.

After more than forty years of service to the town, Mrs. Elizabeth Howard Supple retired at the end of the 1963-1964 school year. We of the staff wish to acknowledge her great contribution to the youth of Franklin and to wish her a long and happy retirement.

The following excerpts from selected year-end reports will give an overall picture of some of our achievements as well as our needs for 1964. More detailed and comprehensive reports are on file in the Superintendent's office. These may be examined at any time.

High School

1. **School Plant and School Population.** The physical setup of our school plant has undergone considerable change during the last year. Our football field and baseball field have been completed and have been encircled by chain link fence which gives Franklin High School its first closed field in history. Permanent bleachers have been erected on one side of the football field and it is to be hoped that by our next school year moveable bleachers will be available which can be utilized for both football and baseball. The girls' field hockey field has been completed, as has a fifth-of-a-mile track around the football field. The only project left to be done is a girls' softball field. When that project is completed, the fields in our school area will be equal to any in the state.

Because of our increased population it was necessary within the plant to convert the student activity room to a regular classroom. The lecture hall, which was originally used for our film program, is now being used as a classroom and a study hall. The film program has been transferred to the auditorium where a new screen has been installed.

Our school population this year, as of November, was 788 as compared with 720 a year ago. The breakdown by classes is as follow:

Grade 9	217
10	238
11	172
12	161
Total	788

According to the best statistics available at this time, our school population in September of 1965 will increase approximately 75 more. The 100% capacity of our building is 900. Eighty percent of capacity is gen-

erally recognized as a good working number for a school building. This means that the ideal number in Franklin High School would be 720. As can be seen by these figures we are already above 80% capacity, and the amount above is increasing every year. In my report of last year I emphasized the fact that although conditions were good at the present we must not rest on our laurels or we will again be in a position of being forced to cut our curriculum extensively, or devise some kind of a double-session setup. It is to be hoped that the School Building Needs Committee, recently established, will take a long, hard look at the high school situation with a view to making early recommendations to avoid problems.

2. Curriculum. Franklin High School continues to offer to the students of the town a general education embracing three fields—college preparatory, business, and general. The school continues to be a member in good standing of the New England Association of Colleges and Secondary Schools which is the main source of accreditation in the New England area. Approximately 50% of our students are involved in the college preparatory field. The remaining group is fairly evenly distributed in the business and general areas.

I would like to emphasize one area of responsibility that falls to the administration and the guidance department and that area is the placement of students who are entering Franklin High School as freshmen. An extensive and recognized testing program is carried out at the junior high school level which gives a clear cut picture as to the potential of a youngster entering high school. On the basis of this testing the administration and the guidance department make definite recommendations to the student and the parents as to placement with a view to success in high school. More and more parents want to assume the responsibility for the placement of their youngsters, and an attitude of "let Johnny try it and see what happens" has developed and with regrettable results.

The prediction for success in the college course cannot be made on the basis of just passing. The student must make college qualifying marks—80% or better—or the chances of getting into college are very small indeed. It has become increasingly difficult to make parents understand that it is not enough just to pass the college course in order to assure entrance into college upon the completion of four years of high school. Parents should take a long, hard look at the difficulties confronting college preparatory students before forcing their children into these courses.

3. School Activities. Extra-curricular activities for our students are constantly expanding. At the present time we have in operation on a

scheduled basis the following activities: Student Council, National Senior Honor Society, Dramatics Club, Camera Club, Commercial Club, Future Teachers of America, Future Nurses of America, Weightlifting Club, Band, Chorus, Drill Team, and Spanish Club. Most of these clubs, with the exception of the Band, Chorus, and Drill Team, meet after school hours. In athletics we have varsity, junior varsity, and freshmen teams competing in football, basketball, and baseball, and varsity golf, track, and cross country. The girls' program includes softball, field hockey, and basketball at the varsity level with an extensive intramural program. Our teams have done well in scholastic competition. Our baseball team finished third in the Hockomock League while our football team was the most successful in our school history, winning eight games and losing only one. The one loss was to North Easton, the team that won the state championship. Our cross country team was again highly successful in its second year of operation. Our girls' field hockey team, in its first year of interscholastic competition, did not win any games but showed constant improvement throughout the year. Our Dramatic Club was highly successful, winning the preliminary festival at Dighton-Rehoboth High School, and competing in the state finals in Boston. The students and coaches responsible for these various activities are to be commended for the excellence of their efforts.

4. School Evaluation. Franklin High School is a member of good standing of the New England Association of Colleges and Secondary Schools. We are at present finishing our self-evaluation and on April 7, 8, and 9, 1965 a visiting committee of fourteen members will be at Franklin High School to evaluate what we are doing. The importance of such an evaluation is obvious and the findings will become a matter of public record, attesting what your high school is doing in the field of education.

5. Class of 1964. In June of 1964 we graduate a class of 124 seniors, the largest in the history of our school. Approximately 50% of this class has gone on to further its education—22½% of the class has gone on to four-year schools leading to a bachelor's degree; 27% of the class has gone on to business and technical schools. Approximately 30% was sufficiently prepared at the high school level to go directly into the labor market in semi-professional, technical, and clerical work. It is interesting to note that approximately 70% of the students who pursued the college preparatory course did go on to colleges throughout the country.

At our graduation exercises in June over \$4,000 of scholarship money was awarded at various local agencies. The major portion of this money was awarded by the Frances Eddy King Scholarship Fund, Inc., of which

Mr. Arthur Pellegrini is chairman. This committee is to be commended for the great work it does in its field in supplying financial aid to worthy students.

I would like at this time to express my sincere thanks to all the organizations in Franklin who each year make scholarship money available to our students. I should like to thank the officers of administration of Dean Junior College for their cooperation and consideration in assisting so many of our students.

6. Franklin Summer School. The Franklin Summer School, in its fifth year of operation, was the largest we have had so far with over 250 students in attendance from thirteen different area towns. The staff this year was increased from nine to eleven with a special scholarship course being offered in art. The other addition to our faculty was in the area of remedial work in grades five through eight. It is my feeling that the Summer School should be integrated as a regular part of the Franklin school system in order to make it more flexible in its operation and wider in its scope. If it were integrated as part of our regular system, it would be possible to establish the program well in advance of the start of the Summer School and not be dependent upon last minute enrollment in the establishment of the curriculum.

Junior High School

1. Enrollment. The enrollment as of October 1, 1964 has shown an increase over last year of 81 pupils. Between October 1 and December 1, 15 additional pupils have enrolled in our school. If the present rate of increase continues, we may soon have to look elsewhere for additional rooms.

The following table illustrates the distribution of pupils as of October 1, 1964:

Grades	Boys	Girls	Totals
8	78	113	191
7	111	103	214
6	82	112	194
Opp. Class	5	4	9
Totals	276	332	608

2. **Staff.** The overcrowded conditions this year have required supreme effort and perseverance on the part of every member of the staff. The teachers are to be commended for their work in providing the good education that our pupils deserve.

3. **Curriculum.** Curriculum committees in all subject areas have completed course outlines and are now in the process of expanding these outlines into complete, up-to-date, courses of study. Better instruction and better instructional methods have also resulted from these meetings.

Modern mathematics is progressing, with about one half of the seventh and eighth grade pupils participating in it. By September of 1936 all junior high school pupils will be included in the program.

This year we have introduced the SRA reading program into all the sixth grades and into some of the seventh and eighth grade groups. The results have been most gratifying and our pupils have shown improvement in reading comprehension as well as a keener interest in reading.

Our vocal and instrumental music programs have grown not only in size but in stature. Approximately 100 pupils take instrumental lessons and our band numbers 50 strong. The Thanksgiving and Christmas concerts gave proof of their talents.

The dramatics group has also been active and to date has presented two fine performances. The group will continue to put on programs throughout the year.

The athletic and intramural programs for boys and girls have been enthusiastically received. In addition to varsity football, basketball and baseball for boys, we have intramural basketball for boys and girls; volleyball, bowling and softball for girls. Every pupil in the school has an opportunity to participate.

4. **School Plant.** Many improvements have been made on the inside of the building. Every classroom now has fluorescent lights, some have new furniture, and the gymnasium and bleachers have been repainted. However, much still has to be done. Many classrooms need new furniture, wall plugs, bulletin boards and a fresh coat of paint. The upper partitions between rooms 112, 113, and 114 are still temporary "patch jobs" and should be repaired. Pupil lockers are old and in most cases ready for the scrap pile. The kitchen facilities are inadequate to handle the number of hot lunches that must be cooked and served each day.

New stoves, ovens and a serving counter should be installed. The cafeteria is too small and the furniture has outlived its usefulness. The home economics area is too small for the size of the classes and we have no facilities for cooking and food management. Most of the windows, sashes, flashings, and shades need repairing or replacing.

Theron Metcalf School

1. **School Building and Enrollment.** The school is in good condition but there is still much that could be done to make the structurally sound building more functional. We had one classroom in the auditorium and one in the former home economics room until June. In September we had an additional room in the auditorium and a special class in a downstairs room. Every available space is being utilized at this time.

The enrollment on October 1, 1964 was as follows:

Grades	Boys	Girls	Totals
4	94	71	165
5	116	111	227
6	19	20	39
Opp. Class	6	5	11
Totals	235	207	442

The Opportunity, or Special Class, was moved to Parmenter on October 5th which reduced this total figure to 431. On December 15th the enrollment had increased to 447.

2. **Staff.** The only changes in staff in September were: one additional teacher, one replacement for a teacher who transferred within the system, and one replacement for a teacher who is on leave of absence. The teachers are doing a fine job under somewhat adverse conditions.

3. **Grouping.** We began pupil grouping in September in the five fourth grades and in the six fifth grades in language arts and arithmetic. Each teacher teaches each of these subjects at a different level, with smaller groups for those pupils needing more individual attention. All other subjects are taught by the home room teacher.

4. **Curriculum.** Committees of teachers have been working in the areas of arithmetic, geography, and reading. There has been much dis-

cussion, research, and compilation. We are primarily concerned with new ideas and methods of presentation. A reading specialist attended two sessions of the reading group and helped them find answers to questions involving reading in the intermediate grades. The aim of the geography group is to devise means to make this study more interesting as well as meaningful.

Most of the teachers attended the Modern Math course in the spring in preparation for the the program instituted in September in grade four. We plan to extend this to grades five and six next year.

Pupils in grade five are utilizing TV science in conjunction with their regular science program.

The TV French program was used until June but in September we discontinued it and now, instead, have the Junior High School French teacher meeting with each class once each week. This is much more personal, with pupil responses, songs, and conversation.

Field trips were taken in February to Old Sturbridge Village by all the fifth grades. This strengthened the concepts taught about Colonial times and reinforced, visually, how people lived and worked in early America.

Grade six visited the Museum of Science and gained a great deal of information relating to the regular science program.

All the fourth grades took a field trip to Babson Institute for a guided tour of the giant globe and world map. Grade four studies world history and geography and this trip proved to be interesting and informative to them.

5. **Library.** The central school library which was started last year has been curtailed this year because of lack of space. This is a most important aspect of elementary education and should be expanded when space permits. A small professional library has also been started for teachers. This has been supplemented with complimentary copies of new books from various publishers.

Horace Mann School

1. **Enrollment.** The enrollment at the Horace Mann School in September 1963 was 244 students. On the first day of school in 1964 we entered

319 pupils, and, a few days later, the enrollment figure soared to 333. Needless to say, we did not have classroom space to take care of this number of children. Steps were taken to relieve conditions.

At present we have 279 students distributed as follows:

Grade	Total
3	238
2	31
Training Class	10
Total	279

Our classes in grade three, even now, are much larger than what the experts believe should be normal size classes.

2. Modern Mathematics. World wide technological revolution now in progress requires that many new mathematical concepts be taught in our schools. Some of this "new mathematics" is being incorporated into elementary arithmetic.

This year we started a formal, modern mathematical program in the second grade. In grade three we are laying the groundwork for continuance of the program in the coming year.

Several members of our teaching group took advantage of the modern mathematics course offered in Franklin last spring by Mr. Frank Gifune. It was in line with what we are doing. Teachers found the course extremely helpful.

Mrs. Edith MacDonald and Mrs. Hazel Ribero were panel members at the intramural discussions on New Mathematics and Related Problems.

3. Language Arts Workshop. Several faculty members attended a language arts workshop in Walpole. The course was given by Dr. Crossley of Boston University.

4. Testing. The Iowa tests of basic skills were administered. Our composite score results were very good, being well above grade requirements.

Parmenter School

1. **Orientation Period.** On September 8, 1964 the first graders entered Parmenter School for an orientation period in preparation for the first day of school. Many new families had moved into Franklin during the summer and the enrollment was much larger than last spring's registration had indicated.

2. **Enrollment.** The enrollment on opening day was 414, an average of 40 in each class. There were not enough desks and chairs to accommodate this number, since the building was designed for 300 children. The cafeteria can seat 160 at one time, so it was necessary to serve the children in three sittings. This required one and one-half hours, one-half hour more than planned in our time schedule. It, therefore, cut thirty minutes from the afternoon session.

3. **Non-Graded Plan and Split Sessions.** We had planned to continue the non-graded plan of grouping this year since we had all been pleased with the children's progress last year. The children were grouped according to alphabet, heterogeneously, for their home room, pending readiness testing in the first grade for language arts grouping. The language arts lists for the second grade were all ready, based upon the reading level reached in June, 1964.

On September 14, the School Committee voted to inaugurate the split session plan at Parmenter as the most feasible solution to overcrowded conditions, not only at Parmenter, but in all grades one through three.

According to this plan, one group of children in each class attends school from 8:45 a.m. to 11:45 a.m. and the other group from 12:15 to 3:15 p.m. There is a maximum of 25 children in each group. Because of the shortened school day, and in order that the children not miss out on the fundamentals of their primary education, the curriculum has been limited to the language arts, including reading, phonics, and spelling, and mathematics.

On September 18, the School Committee announced that the split session plan was to be postponed temporarily since some of the parents requested a further explanation of the necessity for this plan and the method of its implementation. During this period, the children were retained in their home rooms, some without desks and chairs. The cafeteria was still operating on three sittings.

On September 23, there was a meeting of parents with the School Committee at the Parmenter School. The purpose of this meeting was to explain the extenuating circumstances surrounding this plan to solve a difficult problem.

On October 5, the split session plan went into operation. Parmenter School had its own busses. When it became evident that more busses were needed to get the children to school on time for the afternoon session at 12:15, additional busses were obtained for the noon time drop-off and pick-up. Since there is no lunch program at Parmenter this year, the special class from Theron Metcalf School with their teacher, Miss Ruth Hale, moved into the cafeteria for the rest of this school year. These children attend school from 8:45 a.m. to 1:30 p.m. and have their own bus.

As of December 18, the split session plan is working well. We regret the curtailment of art, music, science, social studies and physical education for this year, but we feel that the children will catch up on these areas if they have the basic tools with which to acquire them later on. Mrs. Gleason, Art Supervisor, and Miss Lougee, Music Supervisor, have been most cooperative in working one lesson per month for each class into their schedules so that the children will not miss out on these completely, especially at holiday time.

Our course of study in science on which the teachers have been working for the past two years, is ready for use now and we hope to be able to integrate science into our curriculum next year when the opening of the new school will enable us to carry on a full school day's schedule. The social studies have been integrated into the reading program. The recent report of the President of the United States on Physical Fitness stated that children in the age group five through nine get their exercise in their play and do not need organized programs as the older children do.

The teachers find that they are accomplishing as much in reading and math in the shortened day as formerly. Even with the late start, they are where they should be in the year's program. They feel that there are two reasons for this— 1. The children are ready to work when they come to school, both the morning and afternoon groups, with no long, tiring periods spent waiting for busses, playing, and eating lunch. They have accepted the fact that school is a workshop and they may do all the rest of the day's activities at home. 2. With concentration on two areas only, there is actually more time for teaching in these basic areas. We plan to test in January when we will be able to obtain objective evidence of the results of this plan.

Conclusion

As America faces her future, our President has foreseen the possibility of "the Great Society." To achieve this great goal it is apparent that progress toward it must be based upon enlightened and responsible citizens. This is not new. Jefferson said that the existence of a democracy is dependent upon a citizenry capable of decision making.

What is comparatively new in our quest for the better life is our recognition of the role of education. To progress, our country must be better educated. Our schools must be the best we can provide. This is a particular challenge in these times of burgeoning population.

We, in Franklin, have been struggling for the past several years just to provide space for our ever increasing enrollment. We must continue this struggle. We must do more if we are to provide the necessary quality education. Class sizes must be reduced. We need public kindergartens. More and more diversified adult education should be provided.

There is hope that a wider tax base for financing education can be found. State and Federal programs, already helping the overburdened property taxpayer, will probably be expanded. Let us fervently hope so.

Your schools continue to do their jobs more than adequately. We look forward to our new Pond Street school. We hope that more space at all levels will be provided soon. Whatever is done will, in the last analysis, be done according to the will of you, the citizens of Franklin.

Respectfully submitted,

BENJAMIN D. THOMAS

REPORT OF THE DIRECTOR OF ADMINISTRATIVE SERVICES

In the past year, the Franklin School Department added a chain link fence, a baseball diamond, and a track at the High School. These additions allow for greater use of the school property by the students.

There was extensive painting done in the school system. The Ray School was painted inside and out. The Theron Metcalf and Four Corners Schools were painted on the outside. The basement of the Theron Metcalf School, the kitchen and cafeteria at the Parmenter School, and the gymnasium and first floor corridors at the Junior High School were painted. At the High School, the gymnasium floor and the auditorium and lecture hall stages were refinished. The floors in the boys' locker room and lecture hall and the corridor in the shop area were painted also. Some inside painting was done at the Brick, Horace Mann and Four Corners Schools.

All of the custodians are to be commended for the fine painting job they did, in addition to thoroughly cleaning the buildings during the summer.

In order to save time and effort, we purchased equipment to clean school boilers. Now the custodians can clean their own boilers in a short time and the time saved can be put to some other use.

The girls' room at the Theron Metcalf School was renovated and is now a cleaner, healthier room for the girls.

We have tested various products in the hope that they will prove more durable and, therefore, more economical. It will take time to evaluate the results. Our ultimate aim is economic operation of the Franklin schools.

The accounting records have been converted to conform with the new procedures outlined by the State Department of Education. This involved the assigning of accounting numbers to each item of the budget and the changing of some items from one area of the budget to another. The State Department's purpose is to have uniform reporting from each school system.

During the past year the Director made detailed monthly financial reports to the School Committee to aid them in their decisions.

Respectfully submitted,

ALBERT N. O'BRIEN, JR.

REPORT OF THE SCHOOL HEALTH DEPARTMENT

The following is a combined report of the school physicians and school nurses.

The school health program is concerned with the students' emotional, social, and physical well being. Home visits were made in behalf of these whenever necessary.

The nurses assisted the school doctors during physical examinations for students in grades one, four, seven, and eleven, and for all participating in competitive sports.

Each student was given a vision and hearing test and parents were notified if the pupil failed the test.

The Board of Health made available diphtheria-tetanus boosters to students in grades one and five.

Pre-school clinics were held in the spring for children entering first grade who were not examined by their family doctors.

Visits were made to the schools to take care of injuries, illnesses, and routine school health procedures.

The school physicians are also responsible for physical examinations of students between the ages of fourteen and sixteen applying for work certificates and for issuing school certificates to children returning to school. A school physician is also in attendance at all home football games.

The overall purpose of the school health program is Health Education — that is, to guide the student and his family toward a program of better health.

Respectfully submitted,

WALTER F. CROWLEY, M.D.

ERNEST J. PASTORELLO, M.D.

M. LORRAINE DERIE, R.N.

KATHERINE F. BELL, R.N.

REPORT OF THE SUPERVISOR OF ATTENDANCE

Following is my report as Attendance Officer for the public schools for the year 1964:

Number of visits to schools	86
Number of absentees reported	158
Number found to be ill	121
Number found to be truants	37
Number returned to school	31
Number taken to court	2

Respectfully submitted,

ARTHUR C. PELLEGRINI

CERTIFICATES OF EMPLOYMENT ISSUED DURING THE CALENDAR YEARS 1960-1964

	1960	1961	1962	1963	1964

WARRANT FOR THE ANNUAL TOWN MEETING**MARCH 9, 1965****COMMONWEALTH OF MASSACHUSETTS**

Norfolk, ss.

To either of the Constables of the Town of Franklin in the County of Norfolk.

Greetings:

You are hereby required in the name of the Commonwealth of Massachusetts to notify and warn the qualified voters of the said Town of Franklin to assemble in the Franklin High School, Oak St., on Tuesday, the Ninth day of March, A.D., 1965, it being the second Tuesday of March at six o'clock in the forenoon and remain in session until eight o'clock in the evening then and there to act on the following articles, viz:

Article 1. To choose by ballot the following Town Officers, viz: A Moderator, a Town Treasurer, a Town Auditor, a Collector of Taxes, three Selectmen and three Members of the Board of Public Welfare, all for the term of one year; one member of the Board of Public Health (to fill an unexpired term) for the term of one year; one member of the Board of Assessors, one member of the Board of Public Health, two members of the School Committee, three Constables and one member of the Board of Public Works, all for the term of three years; one member of the Planning Board and one member of the Housing Authority, both for the term of five years.

And also on the same ballot to vote on the following question:

QUESTION—"Shall an act passed by the General Court in the year nineteen hundred and sixty-five, entitled 'An act providing tenure of office until age seventy for Robert J. Rappa, incumbent of the office of town treasurer of the town of Franklin', be accepted?" Yes ☐ No ☐

Article 2. To choose all other necessary Town Officers.

Article 3. To hear a report of the Town Officers and Committees and act thereon.

Article 4. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money, from time to time in anticipation of the revenue of the financial year, beginning January 1, 1965, and to issue a note or notes therefor payable within one year and to renew any note or notes as may be given for a period of less than one year, in accordance with Section 17, Chapter 44 of the General Laws.

Article 5. To see what sum of money the town will raise and appropriate for the following purposes, to wit:

1. For general government, including the Compensation and expenses of the Selectmen, Auditor, Moderator, Collector of Taxes, Treasurer, Assessors of Taxes, Town Clerk, Elections and Registration, Dog Officer, Planning Board, Board of Appeals, Advisory Board, Field Driver, Town Hall, Town Council, Building Inspector, Wire Inspector, Gas Inspector and other finance accounts.

2. For Protection of Persons and Property, including the payment of Police, Auxiliary Police, Bicycle Registration, Support of Fire Department, Sealing of Weights and Measures and for Prevention and Suppression of Forest Fires and Civil Defense.

3. For Health and Sanitation, including expenses of the Board of Health, Inspection of Animals, Inspection of Meats and Provisions and Inspection of School Children.

4. For the Department of Public Works, including Administration and Clerical; Engineering; Labor, Supervision and Maintenance; Pest Control; Snow Removal; Swimming Pool Maintenance.

5. For Street Lighting, Union Street Cemetery, Recreation and Recreational Facilities of the Town including the Lifeguards for the Swimming Pool.

6. For Public Welfare, Welfare Administration and Welfare Assistance.

7. For Veterans' Center and Benefits, including Soldiers' Burials.

8. For education, including all expenses of the School Committee.

9. For the Franklin Public Library.

10. For the various Insurance Accounts, including Fire Insurance, Fleet Fire and Theft, Fleet Liability and Property Damage, Workmen's Compensation, and Group Life and Hospitalization.

11. For unclassified accounts, including Ambulance Maintenance, the Decoration of Soldiers' Graves, Industrial and Development Commission, Urban Redevelopment Authority, Printing and Distribution of the Town Reports, Printing of the Real Estate Valuation Books, State Census, for the Town's share of cost of Maintenance of Norfolk County Retirement System, Foreclosure of Tax Liens, and also for Rent of Quarters for the Veterans of Foreign Wars, Disabled American Veterans and American Legion.

12. For the Payment of Interest on Town Debts.

13. For the Payment of Municipal Indebtedness.

Article 6. To see if the Town will vote to use the interest of the Helen A. Ward Fund for the care of the Ward Cemetery Lot at the City Mills Cemetery, to be expended under the direction of the Board of Public Works, or do anything relating thereto. (By Selectmen) (Amount of Interest: \$4.25)

Article 7. To see if the Town will vote to use the interest of the Lucretia Pond Fund for the care of Town Cemeteries to be expended under the direction of the Board of Public Works, or do anything relating thereto: (By Selectmen) (Amount of Interest: \$42.50)

Article 8. To see if the Town will vote to raise and appropriate a sum of money for a Special Reserve Fund to be used for extraordinary or unforeseen expenses, or do anything relating thereto. (By Selectmen.)

Article 9. To see if the Town will vote to raise and appropriate the sum of One Hundred Dollars (\$100.00) to purchase eyeglasses and spectacles for children under eighteen years of age and whose parents or guardians are financially unable to provide them, the same to be expended under the direction of the Selectmen, as provided for in amend-

ment to Section V, Chapter 40 of the General Laws, or do anything relating thereto. (By Selectmen.)

Article 10. To see if the Town will vote to adopt the following resolution:

WHEREAS: The General Court sitting as a Constitutional Convention, did on July 16, 1963, give initial approval to a Home Rule amendment to the state Constitution, and

WHEREAS: This bill of rights for local governments requires a second approval by the members of the General Court during this legislative session, and

WHEREAS: We, as members of this Town Meeting, feel competent to handle the affairs of our town without strict supervision by the Commonwealth of our every act and deed.

NOW THEREFORE BE IT RESOLVED that this town meeting hereby instructs its representatives to the General Court to vote in favor of the Home Rule proposal (H 1384 of 1963 as revised) when it comes before them.

or, take any other action relative thereto. (By Board of Selectmen.)

Article 11. To see if the Town will vote to appropriate the Dog License money received for the present year for the support of the Schools or Public Library, or do anything relating thereto. (By Selectmen.) (Amount: \$989.72)

Article 12. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the use and maintenance of the Town Dump, said sums to be expended under the direction of the Board of Selectmen; and authorize the Selectmen to execute a lease or contract with the owner of said dump property for a period of one year, subject to the approval of the Town Council, or take any other action relative thereto. (By Selectmen.)

Article 13. To see if the Town will vote to use the interest of the City Mills Cemetery Fund, for the care of the City Mills Cemetery, to be expended under the direction of the Board of Public Works, or do anything relating thereto. (By Selectmen) (Interest \$39.62)

Article 14. To see if the Town will vote to transfer from Sewer Available Surplus to Municipal Indebtedness the sum of thirty-nine dollars and seventy-one cents (\$39.71) to cover payment on Sewer Loan debt maturing in 1965, or do anything relating thereto. (By Treasurer)

Article 15 To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of One Thousand Dollars (\$1,000.00) for the proper observance and celebration of the Christmas season by the decoration and illumination of public buildings and public streets, and for the purchase, installation and decoration of Christmas trees upon municipal lands, to be expended under the direction of the Selectmen, or do anything relating thereto. (By Selectmen.)

Article 16. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to purchase and equip a new car for the Police Department, plus trade-in-value of one of the present cars; or do anything relating thereto. (By Selectmen.)

Article 17. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to purchase and equip a new three-wheel motorcycle for the Police Department, or do anything relating thereto. (By Selectmen.)

Article 18. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to paint the exterior of the Town Hall Building, said sum to be expended under the direction of the Board of Selectmen, or do anything relating thereto. (By Board of Selectmen.)

Article 19. To see if the Town will vote to accept a gift of Two Thousand Dollars (\$2,000.00) from the Fletcher Hospital Corporation to be used in conjunction with other money to be appropriated by the Town for the purchase of a town ambulance, or do anything relating thereto. (By Fire Chief and Selectmen.)

Article 20. To see if the Town will vote to raise and appropriate the sum of Five Thousand Five Hundred Dollars (\$5,500.00) to be used in conjunction with a gift of Two Thousand Dollars (\$2,000.00) from the Fletcher Hospital Corporation for the purpose of a new town ambulance (together with the trade of the present town ambulance), to be expended by the

Board of Selectmen and the Fire Chief, or do anything relating thereto. (By Fire Chief and Selectmen.)

Article 21. To see if the Town will vote to raise and appropriate the sum of Three Thousand Two Hundred Ninety Dollars (\$3,290.00) for the purchase of a utility wagon for the use of the Fire Chief or take any action relating thereto. (By Fire Chief and Selectmen).

Article 22. To see if the Town will vote to raise and appropriate the sum of One Thousand One Hundred Forty Dollars (\$1,140.00) for the purpose of painting the outside of the Fire Station. (By Fire Chief and Selectmen).

Article 23. To see if the Town will vote to raise and appropriate or transfer from available funds, the sum of One Thousand Dollars (\$1,000.00) for the training and equipment of the Auxiliary Police of Franklin, said sum to be spent under the direction of the Board of Selectmen. (By Selectmen).

Article 24. To see if the Town will vote to accept the Provisions of General Laws, Chapter 41, 108G establishing minimum annual compensation for police officers, or do anything relating thereto. (By Petition).

Article 25. To see if the Town will petition the State Tax Commission for the installation of the State Assessment System as provided in Section 7A, of Chapter 58, of the General Laws, or take any other action relating thereto. (By Board of Assessors).

Article 26. To see if the Town will vote to raise and appropriate or Transfer from available funds a sum of money for the purpose of establishing a Stabilization Fund, according to Ch. 40, Sec. 5B of the G.L. as most recently amended, or take any other action relative thereto. (By the Town Treasurer).

Article 27. To see if the Town will vote to transfer the balance of the premium received on the sale of the Elementary School and Water Systems Improvement Bonds, the sum of Four Thousand Twenty-nine Dollars and Seventy-eight Cents (\$4,029.78) to the Municipal Indebtedness Account to be applied to the payment of principal of the first bonds to mature according to Ch. 44, Sec. 20 of the G. L. (By the Town Treasurer).

Article 28. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Five Thousand Dollars (\$5,000.00) to be used by the "School Building Needs Committee" as authorized under Article 1, of the Special Town Meeting held on Nov. 17, 1964, for such study, including consultations with Architects, and obtaining options on land, and obtaining proposed plans and estimates of cost; or to take any other action relative thereto. (By the School Building Needs Committee).

Article 29. To see if the Town will vote to transfer the amount of four thousand four hundred seventy-two dollars and forty cents (\$4,472.40) from the Road Machinery Fund to the Road Machinery Account, or do anything relative thereto. (By Board of Public Works)

Article 30. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Three Thousand (\$3,000.00) Dollars for the repair and maintenance of Chapter 90 roads, said sum to be used in conjunction with any money which may be allotted by the State or County, or both, for this purpose, the same to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works).

Article 31. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Eight Thousand Dollars (\$8,000.00) for Chapter 90 New Construction to complete Grove Street and the balance to be used on Oak Street and Pond Street, said money to be used in conjunction with any funds which may be allotted by the State or County, or both, for this purpose, the same to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works).

Article 32. To see if the Town will vote to transfer the sum of Thirty Thousand Dollars (\$30,000.00) from the Excess and Deficiency Account, or authorize the Town Treasurer to borrow from time to time as necessary to meet the state and county allotments for Chapter 90 Maintenance and Chapter 90 Construction, provided that all reimbursements from the State and County shall be credited back immediately upon their receipt to the Surplus Revenue Account, or do anything relative thereto. (By Board of Public Works).

Article 33. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the purpose of purchasing and equipping the following:

1. One Heavy Duty Dump Truck	\$11,050.00
2. One Box Sand Spreader	3,400.00
3. One Utility Truck	4,575.00
4. One Rotary Mower	775.00
5. One Used Pick-Up Truck	700.00
	\$20,500.00

said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works).

Article 34. To see if the Town will vote to appropriate or transfer from available funds the sum of Five Hundred Dollars (\$500.00) to install an automatic fire alarm system at the Town Barn, said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works).

Article 35. To see if the Town will vote to raise and appropriate or transfer from available funds, or raise by bond issue or notes in accordance with the provisions of Chapter 44 of the General Laws, a sum of money for the purpose of installing a Sixteen-inch (16") water main from the Town tanks off Fales Street and Hillside Road to a point on Chestnut Street, including all the necessary valves, fittings, gates, etc., and to acquire all the necessary easements in order to improve the water system in that section of Town, said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works).

Article 36. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to purchase Three Hundred (300) new meters, old meters to be taken in trade, said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works).

Article 37. To see if the Town will vote to transfer from the Parking Meter Account the sum of Five Hundred Dollars (\$500.00) for painting street lines in the Parking Meter Area, said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works.)

Article 38. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to paint center line traffic lines and furnish and install traffic signs on various streets, said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works).

Article 39. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to install water mains on the following streets: Milliken Avenue (Corner at Alpine Place) a distance of approximately 1100 linear feet, said sum to be expended under the direction of the Board of Public Works or take any action relative thereto. (By Board of Public Works).

Article 40. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Two Thousand Dollars (\$2,000.00) for Poison Ivy and Brush Control, said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works).

Article 41. To see if the Town will vote to raise and appropriate the sum of Two Thousand Dollars (\$2,000.00) to remove badly decayed and dangerous trees in our Town roads, said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works).

Article 42. To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars (\$1,000.00) to purchase and plant new shade trees, said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works).

Article 43. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Sixty-three Thousand Dollars (\$63,000.00) for the purpose of plugging up infiltration in sewer mains, said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works).

Article 44. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Seven Thousand Five Hundred Dollars (\$7,500.00) for the purpose of installing an additional Pump with all the necessary accessories and improvements in the Milliken Avenue

Pumping Station, said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works).

Article 45. To see if the Town will vote to transfer from available funds under the provisions of Chapter 822, Acts of 1963, the sum of Three Thousand Six Hundred Fifty-six Dollars and Seventy-four Cents (\$3,656.74) to perform construction work and resurface Cottage Street, from the junction of East Central Street southwesterly a distance of approximately 700 feet, said sum to be expended under the direction of the Board of Public Works, or take any other action relating thereto. (By Board of Public Works).

Article 46. To see if the Town will vote to raise and appropriate or transfer the sum of Three Thousand Thirty-two Dollars and Fifty Cents (\$3,032.50) to repair and lower Arlington Street Culvert, said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works).

Article 47. To see if the Town will vote to raise and appropriate or transfer a sum of money for an addition to the Town Barn, said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works).

Article 48. To see if the Town will vote to appropriate or transfer from available funds a sum of money to improve drainage system opposite the new elementary school off Pond Street, said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works).

Article 49. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Three Thousand Dollars (\$3,000.00) for excavating 1,000 linear feet of the existing brook and cutting and removing trees and brush in the rear of the Somerby residence off Forest Street, said sum to be expended under the direction of the board of Public Works, or take any action relative thereto. (By Board of Public Works).

Article 50. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to erect a storage shed at

Fletcher Field, said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works).

Article 51. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Two Thousand Four Hundred Dollars (\$2,400.00) for repairing approximately Three Hundred Feet (300') of Stone Wall and Sluice-way at the Community Pool, said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works).

Article 52. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Two Thousand Five Hundred Dollars (\$2,500.00) to resurface the Parking Area at Fletcher Field, said sum to be expended under the direction of the Board of Public Works or take any action relative thereto. (By Board of Public Works).

Article 53. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Thirty-nine Hundred Dollars (\$3,900.00) to purchase a heavy duty Tapping Machine for the Water Division of the Department of Public Works, said sum to be expended under the direction of the Board of Public Works, or do anything relating thereto. (By Board of Public Works).

Article 54. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Forty-three Hundred Dollars (\$4,300.00) for a Leaf Collecting Unit to be used by the Park and Tree Division of the Department of Public Works, said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (Board of Public Works).

Article 55. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of One Thousand Two Hundred Dollars (\$1,200.00) to purchase a snow plowing unit complete with frame, piston, and all the necessary appurtenances, said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works).

Article 56. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the purpose of installing drainage on School Street, said sum to be expended under the direc-

tion of the Board of Public Works, or take any action relative thereto. (By Board of Public Works).

Article 57. To see if the Town will vote to raise and appropriate or transfer from available funds or raise by bond issue or notes, in accordance with the provisions of Chapter 44 of the General Laws, a sum of money for the purpose of laying out, constructing, operating, and maintaining a system of sewerage disposal on the following streets: On Summer Street from the existing manhole southeasterly for a distance of approximately Three Hundred and Sixty (360) Linear feet; On Cleveland Avenue from the existing manhole at the junction of Cleveland Avenue and Gallison Street, easterly a distance of approximately One Hundred and Sixty (160) Linear feet; On Highland Street (from Concord to Oak Street a distance of approximately One Thousand and Twenty (1,020) Linear feet; On Lexington (from Concord to Highland Street southerly for a distance of approximately Four Hundred and Seventy-five (475) Linear feet, across Oak Street, through school property and tying into the existing High School sewer a distance of approximately Six Hundred and Fifty (650) Linear feet; On Thayer Street from the existing sewer manhole on McCarthy Street up Thayer Street a distance of approximately Three Hundred (300) Linear feet; and to determine by which of the methods referred to in or authorized by, Chapter 613 of the Acts of 1912 or by any applicable provision of the General Laws, the portion of the cost of the construction of sewers herein authorized to be constructed by the Town, to be paid and assessed upon the owners of the estates situated within the territory embraced by said system and benefited thereby, shall be made or computed, said sum to be expended under the direction of the Board of Public Works, or do anything relating thereto. (By Board of Public Works).

Article 58. To see if the Town will vote to appropriate the income of the Fletcher Fund for the construction of and equipment for playgrounds and recreational fields; said sum to be expended under the direction of the Playground Committee, or do anything relating thereto. (By Playground Committee). (Amount of income: \$2,459.48.)

Article 59. To see if the Town of Franklin will vote to establish an unpaid Personnel Board in accordance with the provisions of Sec. 108C, Ch. 41 of the G. L.; to determine in what manner the members of such board shall be appointed; And that a sum of money be raised and appropriated or transferred from available funds to be used by said Board to study and recommend personnel by-laws or to take any other action relative thereto. (By the Personnel Advisory Committee).

Article 60. To see if the Town will vote to amend its present by-law known and cited as the Building By-Law by inserting immediately following Section 3, Article VIII, the following paragraphs lettered a, b, c and d respectively:

- a. Basement used for living space to be considered as a first story.

In any building of the second or third class, used as an apartment house, hotel or lodging house, if the basement or ground floor is fitted up to use for work rooms or living space, other than for janitors use, such ground floor or basement shall be regarded as the first story; and the height permitted for such building shall be its measurement from such ground or basement floor upwards.

Any three story apartment or hotel building having living space in the basement, as noted above, shall come under the State General Laws as quoted in Chapter 143, SS 15 to 52 as amended.

- b. All corridor exit doors, stairway, and outside doors for two to five apartments, shall open out, having door closers and be at least 3 ft. 6 in. in clear width.
- c. All stairways and stair landings in multiple apartment houses and hotels shall have a clear width of at least 3 ft. 6 inches, and shall be at least as wide as the corridors leading to the stairs.

Stair treads shall be at least 10 inches in width (exclusive of nosing,) and not more than 7½" risers. There shall be no winders.

- d. Every building with 2 to 5 apartments (or each 4 to 5 apartment sections of a large building) shall be provided with two means of egress, both a continuous stairway (including landings) extending from the top story to the ground level.

The two stairways shall be separated from each other as far as practicable and each accessible from all parts of each floor in that section. (By Planning Board and Building Inspector).

Article 61. To see if the Town will vote to amend its present by-law known and cited as the Building By-Law by inserting immediately following Article VIII, Section 6, the following Section 6A:

- 6A. Masonry wall thicknesses above foundations.

- a. For dwellings only with beams spanning not over 20 ft.

Stories	Basement	First and Second Floors		
1 story building	12"	10"		
2 story building	12"	10"	8"	
2½ story building	12"	12"	8"	

- b. For all other types of residence buildings

Stories	Basement	First, Second, Third Floors			
1 story building	12"	10"			
2 story building	12"	12"	8"		
3 story building	12"	12"	12"	12"	

- c. Commercial and Industrial building for wall not over 12 ft. for each.

Stories	Basement	First, Second, Third Floors			
1 story building	12"	12"			
2 story building	12"	12"	12"		
3 story building	16"	16"	12"	12"	

(By Franklin Planning Board and Building Inspector).

Article 62. To see if the Town will vote to amend its present by-law, known and cited as the Building By-Law by inserting immediately following Article VIII, Section 2; the following paragraph to be lettered paragraph a.

- a. Sill anchor bolts

All homes having part of the outside basement walls of wood, are to use ½" x 12" x ½" x 18" anchor bolts cast into the cement foundations at 10 foot intervals to secure sills.

Wood garages and light accessory buildings to use ½" x 12" anchor bolts to secure sills to foundations.

(By Building Inspector and Franklin Planning Board).

Article 63. To see if the Town will vote to amend its present by-law, known and cited as the Building By-Law by inserting immediately following Section 18B of Article VIII to be known as paragraph c:

- c. Firewalls in tenement and apartment houses of two and three stories in height.

There shall not be more than two apartments between firewalls on each floor.

Firewalls shall be built at least 8 inch thick, cement masonry units extending from basement floor to highest point in roof.

Wood framed stair hall wall to have masonry firestops between frame members from ceiling level to above the next floor level. These stair hall partitions to be wirelathed and plastered $\frac{3}{4}$ in. thick on both sides.

Wirelath and plaster hall ceilings and underside of stairs also.

(By Building Inspector and Franklin Planning Board).

Article 64. To see if the Town will vote to modify the present Zoning law in the following manner: Insert in Section V-E, after the words "For Multi-Unit apartment building" 1-room unit, 150 sq. ft. living space; 2-room unit, 300 sq. ft. living space; and add to said Section V-E, the following paragraph: Every dwelling unit shall contain at least 150 square feet of living space for the first occupant, and at least 100 square feet of living space for each additional occupant; or do anything relating thereto. (By Petition).

Article 65. To see if the Town will vote to raise and appropriate or transfer from available funds, a sum of money for the purpose of demolishing and clearing the property commonly referred to as the "Old Town Barn" located on East Street, said sum to be expended by the Board of Selectmen; to authorize the Selectmen to enter into a contract or contracts for the removal of said building and the sale of any materials located on, in or within said building, or do anything relative thereto. (By Board of Selectmen).

Article 66. To see if the Town will vote to amend the Zoning map of the Town of Franklin by changing from Rural Residential II District to Commercial I District the land situated on the Westerly side of Lincoln Street and bounded Northerly by Elm Street 500 feet more or less, Easterly by Lincoln Street; Southerly by land now or formerly of William J. Dacey et ux, 500 feet more or less; and Westerly by a line parallel with and 500 feet distant from the Westerly line of Lincoln Street, or do anything relating thereto. (By Petition).

Article 67. To see if the Town will vote to accept as a public way the following private way or portions thereof including the takings or acceptance of easements for sewer and drainage purposes as laid out by the Board of Selectmen and in accordance with plans on file with the Town Clerk, pursuant to Chapter 82 of the General Laws:

Everett Street — extending for a distance of approximately 900 feet southeasterly from the intersection of Union Street or do anything relating thereto. (By Franklin Planning Board).

Article 68. To see if the Town will vote to accept as a public way the following private way or portions thereof including the takings or acceptance of easements for sewer and drainage purposes as laid out by the Board of Selectmen and in accordance with plans on file with the Town Clerk, pursuant to Chapter 82 of the General Laws:

Harborwood Drive — Extending for a distance of 1200 feet northwesterly, northerly and northeasterly from the southeasterly intersection of Partridge Street to the northeasterly intersection of Elm Street, or do anything relating thereto. (By Franklin Planning Board).

Article 69. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to install street lights on all or any of the streets accepted at the annual Town Meeting, said sum to be expended under the direction of the Board of Selectmen, or do anything relating thereto. (By Selectmen).

Article 70. To see if the Town will vote to construct, operate, and maintain off-street parking facilities on the land acquired by the Town for such purpose, said land being situated on Dean Avenue and Depot Streets, and pay therefore, including the cost of policing, constructing or reconstructing, surfacing, lighting, operating and maintaining such area and facilities, and including any debt incurred therefore, in whole or in part, from any receipts from parking meters, as provided in General Laws, Chapter 40, Section 22B; and raise and appropriate or transfer from the Parking Meter Account or raise by bond issue or notes a sum of money to meet the cost thereof, to be expended under the direction of the Board of Selectmen, or do anything relating thereto. (By Petition).

Article 71. To see if the Town will vote to amend the By-Laws of the Town by adding the following section: The Town, acting through a duly

constituted official, department, commission, or board and with the approval of the Board of Selectmen may rent or lease for a term not exceeding five years, premises not owned by the Town for the use of such official, department, commission or board. Before entering into a rental agreement or executing a lease for any such premises, such official, department, commission or board shall cause a notice to be posted conspicuously in the Town Hall for a period of at least thirty days prior to the entering into of such rental agreement or execution of such lease, specifying the area, term and other requirements thereof and inviting proposals therefore, and cause said notice to be published, in a newspaper published or having a general circulation in the Town, once a week for three consecutive weeks, the last publication to be at least one day prior to the date for the opening of such proposals. Such notice shall state the method, time and place for the submission of such proposals, the time and place for the opening thereof and shall reserve the right to reject any or all such proposals. After entering into a rental agreement or execution of a lease referred to in any such notice, all proposals relating thereto shall be retained by the Board of Selectmen and shall be open to inspection by the public until the expiration of such rental agreement or such lease, and may thereafter be destroyed. (By Petition).

Article 72. To see if the Town will vote to raise and appropriate or transfer from available funds, including the Parking Meter Account, a sum of money for the purpose of demolishing and clearing of the buildings located on the former Gilmore property, so-called, said sum to be expended by the Board of Selectmen; to authorize the Selectmen to enter into a contract or contracts for the removal of said buildings and the sale of any materials located on, in or within said buildings, or do anything relating thereto. (By Board of Selectmen).

Article 73. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to complete the tarvia surfacing on Prospect Street, from Schmidt's farm northerly to a juncture with the surfacing job completed in 1962, near the residence of Alice Briggs, a distance of approximately one-half mile, or do anything relating thereto. (By Petition).

Article 74. To see if the Town will vote to purchase or acquire by eminent domain a strip of land approximately 24' wide adjoining Beaver Pond Brook, from West Central Street for a distance of Five Hundred (500') feet, toward the Town Swimming Pool, said land being now owned by Donald Ranieri and Mary Ranieri, for the purpose of widening the

present road running along Beaver Pond Brook toward the Town Swimming Pool; or do anything relating thereto. (By Petition).

Article 75. To see if the Town will vote to raise and appropriate or transfer from available funds, a sum of money to resurface Haverstock Road, said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Petition).

Article 76. To see if the Town will vote to transfer from State Aid to Public Library account the sum of Two Thousand Six Hundred Thirty-two Dollars and Fifty Cents (\$2,632.50) to the Franklin Library Association, or do anything relating thereto. (By Franklin Library Association).

Article 77. To see if the Town will vote to authorize the Board of Assessors to appoint one of its members, Mr. John Yadisernia, as a full-time assessor, and to establish the salary for such office and to raise and appropriate or transfer from available funds a sum of money therefor. (By Board of Assessors).

And you are directed to serve this warrant by posting attested copies thereof seven days at least before the time of meeting, as directed by vote of the town.

Hereof fail not and make due return of this warrant with your doings thereon, at the time and place of meeting.

Given under our hands this Fifteenth Day of January A.D. 1965.
